RE: Pending Special Permit, Site Plan and Coastal Site Plan Applications of  
Gales Ferry Intermodal, LLC

Dear Juliet:

On behalf of the above referenced Applicant, we hereby request that the public hearing currently open on the above referenced applications be continued to the June 29, 2023, special meeting of the Ledyard Planning and Zoning Commission. Our development team is in the process of evaluating the matters discussed at our meeting of Thursday, June 1, 2023. While our client has committed to the concept of adding a second building to the development initiative generally in the area discussed, we continue to explore the functionality of that building, the purposes that it will serve for Gales Ferry Intermodal, LLC and the sizing and logistical attributes of that building.

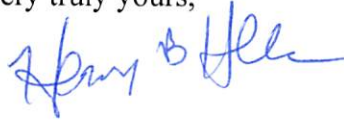

Proceeding with the continuation of the public hearing on Thursday, June 8, 2023, will not be a beneficial use of anyone's time as answers to the above questions are required before the site plan can be modified as we discussed.

Therefore, pursuant to authority granted in Section 8-7d of the Connecticut General Statutes, the Applicant hereby grants the Town of Ledyard Planning and Zoning Commission an extension to July 6, 2023, to complete the public hearing with respect to these applications.

Planning and Zoning Commission
