Subject: East Drive Park

Good Afternoon All,

Last night around 9:30pm we had a pickup truck pull into the East Drive playground parking lot and park for several minutes. Then the truck began to rev the engine excessively and proceed to do donuts in the parking lot before exiting the park. A neighbor called us to ask if we had heard the disturbance as well immediately following.

Sadly, the park had not been locked for the evening allowing this to happen and it occurred just 15 minutes after an LPD vehicle had driven by and checked on the park.

I went to look at the gate and realized that someone vandalized the eyelet that the lock secures the chain to, making it impossible to lock the gate now. Additionally, only the water company lock is still there, the parks and rec padlock is missing. I'm hoping we can have this resolved quickly before we begin to have more recurring issues there. Perhaps a sign at the entrance stating the park is closed at dusk would help as well or some cameras to catch this behavior with better angles than we can provide.

I have attached photos of the damage done to the parking lot last night and a video where you can hear the truck and see the activity described above.

Respectfully,

William Jamieson
