2020 while blazing trail, “discovery” of remains of well and foundation (oldsters said may be Spicer)

2021 extensive research done by Karen Parkinson on Spicer family. Community Foundation grant written and granted for building bridges and archeology research of land records to verify ruins. Ruins are significantly “undisturbed” and stone walls/foundations undisturbed. Spicer Homestead dates to approximately 1670. Peter and Mary Spicer, first settlers, are the ancestors of many Mystic whaling captains (Spicer Marina), founders of Spicer oil, “Parke” Spicer (Preston’s long -serving selectman) and many Town of Ledyard and Preston early leaders. The Homestead was occupied for five generations and became over 200 acres. John and Cyrus each inherited half the farm in 1769; Cyrus sold east half to Isaac Geer in 1788; John and successors farmed west half for another hundred years. The original dwelling is referenced as “the mansion” in 1769 will of John (4). Its demise is not known and would need to be researched in land records.

2022 Completion of contracted archeology research by Sara Holmes, PhD. Verifying that site is Spicer Homestead settled circa 1670. Study was funded by Community Foundation grant to Tri Town Trail Association. Report shared with Town officials and copies donated to Bill Library and Preston Library. Ledyard Rotary granted TTT \$ 1,000 for signage and fencing of Homestead.

2022 study shared with State of CT Archeology. “site number” obtained.

2023-present. Continued working relationship with Town officials to develop plan for preservation, suggesting the Historic District Commission be assigned administrative control. Two site walks conducted with Land Use Commission (2023, 2024), Historic District Commission agreed to accept administrative control of site

Map of proposed “Spicer Homestead Ruins” constructed with the assistance of Chad Frost. There are no existing buildings. There is evidence of a dug well, twin cellar pits, corner foundations of dwelling, extensive stone wall system, foundation of small barn, and large erratic boulder, known as “Spicer Rock” referenced in Spicer genealogy books. The proposed 4.4 acres is outlined by existing stone walls, the unnamed brook, and the Eversource easement boundary. There is a wooden crossing (no foundations) of the brook built by Tri Town Trail volunteers. The crossing is referenced as “Spicer Bridge” and the unnamed brook is referenced as “Mary Spicer Brook.”
