III. OPENING AND CLOSING FLOOR TO TENANTS

Comments limited to three (3) minutes. Total time thirty(30) minutes

#24 Do the split heaters have one controller? Assistance needed in working the remote for the mini splits. Bedroom not running correctly. Will hold a training session.

#27 Thank you everyone for the help moving me back. Everything is awesome.

#3 Off property smoking is dangerous with cars, bears, some with mobility issues, someone will get hurt. Residents are misinformed when calling LHA. LHA final decision did not ask residents. There should also be no fire pits, tiki torches on property. Survey sent out indicated 86% of residents said to not prohibit smoking on property. You must start to be fair there are 6 propane tanks against lease, outdoor cats. Tired of favoritism and lies.

#2 Has been here for 23 years and asking for fairness. Wants to have smoking area where they

have provided cans, ashtrays, brooms. Other tenants have no problem with the smoking area. ADA requires special accommodations. The area has brought the community together. Scared at end of road, dog flew after a bobcat. We promise to respect the property. I believe the director is spying on us from home when we have visitors. I am questioning the vote of Ms. Paula Crocker stating that she was just sworn in in April and my understanding is she must attend 3 meetings prior to any vote. This was a reappointment because the term was up.

IV. BOARD MEMBER COMMENTS

Chairman Duzy will no longer return bottles and cans if not rinsed out. You will need to recycle them or return them yourself.
