IV. PRESENTATIONS / INFORMATIONAL ITEMS

Matt Novosad: Assistant Librarian II - Adult Services

Matt Novosad, one of our Adult Assistant Librarians, gave a presentation on his responsibilities and duties. Mr. Novosad started off explaining that he is a two time UConn Graduate and received both this Bachelor of Arts and Master of Arts.

Mr. Novosad went on to explain the work he does includes both public facing and behind the scenes responsibilities. On the public facing side, he handles the adult programming at the Bill

Library and focuses on planning a variety of programs and events to appeal to a variety of patrons. Upon his arrival to Ledyard, Mr. Novosad carried out the successful conclusion of the President's Book Discussion. He also started a Board Game Club, Genealogy Club, and will soon be starting a Sewing Club later this year. A few of the adult program highlights over the past year include a Long Pond watershed lecture, a Winter Sowing workshop with Barbara Duncan, Fly Tying classes with John Preston, the History of Oktoberfest presented by Em Sauter, and an American Sign Language course presented by Signing Basics (funded by the Libraries Transforming Communities grant). Mr. Novosad also enjoys helping patrons with Tech Help by appointment. Collaboration with other local organizations such as the League of Women Voters promoting voter registration and Veterans Coffeehouse are part of our Adult Services outreach in the community.

Adult Summer Reading Bingo is another highlight during the year! Mr. Novosad mentioned it was encouraging to see adult participation increase this past summer compared to the summer of 2022. This year patrons will have the chance to "level up" as they complete different Bingo cards to incorporate a gamification technique to Adult Summer Reading encouraging continued engagement from participants.

Behind the scenes responsibilities include a variety of tasks and Mr. Novosad went on to highlight a few projects and improvements he has been working hard on. He discussed how he was determined to learn Javascript (coding) in order to have our due date and hold slip templates look and print the way we want them to. Mr. Novosad also improved the functionality and look of our statistics spreadsheets so staff can accurately input and read our stats. Our statistic spreadsheets are now set up to align with the State Library report saving staff time and effort when annual numbers are due. These improved spreadsheets allow staff to better track the overall health of the library and to see trends in the data, making adjustments to purchasing decisions as needed.

Mr. Bolduc commented that he had no idea how much Mr. Novosad does and thanked him for his work. Mr. Racich said Mr. Novosad did a great job presenting.

1. Commission vacancy

Carol Ganz resigned from the Library Commission on April 1, 2024. Her resignation letter was accepted by the Commission with appreciation for her service and regret that she will be leaving the Commission. A card was circulated and signed for Ms. Ganz.

Ms. Grenger said Ms. Ganz resigned appropriately and professionally.

Mr. Bolduc mentioned Peter Diette and Sara Pearson have applied to fill the vacancy. Mr. Diette was introduced to the group.

Motion to accept the resignation letter submitted by Ms. Ganz.

Town News:

- A sidewalk construction project started on April 8. This newly designed sidewalk will come between the Bill Library and church and head up to the High School. From our Public Works Director: "It will include a considerable amount of effort at the trailhead area between the library and the church and will involve converting the cul-de-sac area to a curved section of road and some parking changes at the end of the parking area toward the church. It will be pretty busy, but the parking area toward the south end would remain accessible."

3. Friends of the Ledyard Library Report

Mr. Bolduc gave the Friends of the Library report. He mentioned the Friends will have their half price book sale from June 1 - 15, 2024 at both library buildings. This will span dates of the Regatta Day (June 8) and the kick-off for Summer Reading (June 15).

In addition, there have been 3 donations in past few months. To recap the details:

February 20 - \$13,871.84 was deposited into the Either Library account. This funding was designated as Library Commission funding that was set up in a Dime Bank account overseen by

the Bill Library Association. Ms. Smith called a meeting on February 16, 2024 with the Bill Library Association President and Treasurer along with the Library Commission Investment Working Group to review these accounts. It was decided at that time to consolidate the Library Commission funding into the investment account.

February 22 - \$2,366.56 was deposited into the Either Library account. This funding was received from the Joan D. Hauptfeld bequest and must be used for library programming (not for administrative purposes).

April 9 - \$500 was deposited into the Either Library account. This funding was a donation as part of the Library Giving Day fundraising initiative.

Mr. Cronin, Ad hoc Chair, presented an update from the Consortium Working Group. The group met on March 29, 2024 and needs to fill an immediate vacancy. Mr. Cronin asked for input regarding information to present, and a time frame. LION requires notice at their annual meeting in June. However, Ms. Smith and Commissioners discussed there is no rush to make any decisions by this June as all criteria needs to be fully considered.

Commissioner Barbara Chandler and Commissioner Rolf Racich were appointed to the group. The group now consists of three Library Commissioners, one community member, and Library Director, Jennifer Smith, as an ex-officio.

The next meeting needs to be scheduled. Mr. Cronin will be in touch with the group.
