- IV. INFORMATIONAL ITEMS/PRESENTATIONS

Chairman Rodriguez noted that Director of Planning & Land Use Elizabeth Burdick was present this evening to introduce herself to the Town Council and the Community.

Ms. Elizabeth Burdick thanked Chairman Rodriguez for giving her a few minutes to introduce herself to the Town Council and to the community as Ledyard's new (and former) Director of Planning & Land Use.

Ms. Burdick began by noting that she lived in New London, Connecticut, where she raised her two now adult sons and where many of her immediate and extended family were raised and still reside. She stated that she grew up in a small town in Connecticut and was the oldest of six children, which taught her to manage chaos. She stated in her free time, that she was an avid hiker in both New England & the West, she practiced yoga, enjoyed long rides on her road bike, relaxing at the beach, and she reads books every day.

Ms. Burdick continued by addressing her education, training and experience, stating that she had twenty-seven years of experience in land use planning & zoning, project compliance permitting & management both in the office and in the field. She noted since 1997 to Present that she has continued her land use education in various subjects, and she had the following Certifications:

- CAZEO Certification (1997-1999) - Connecticut Association of Zoning Enforcement Officers at University of Connecticut School of Professional Development.
- IWWC Agent Certification - State of Connecticut DEEP 2003; and she has continued her education since that time.
- ArcView GIS Certification - Marin Environmental, East Haddam, CT 1999.
- Certified CDBG 101 Sub-Grantee Grant Administrator Program, CT DOH 2019 and has renewed her Certification. Ms. Burdick explained that this Certification was through the

Department of Housing. Ms. Burdick explained to manage grants that the Town had to have someone who was certified as a Grant Manager.

- Litigation Paralegal Certification - University of Connecticut School of Professional Development at UCONN Law School, Hartford, CT 1995-1996. Ms. Burdick stated she had experience working for Attorneys, stating that this experience was helpful when she began her career as a Development Planning Technician in 1997. She stated over the next twenty years that she worked long hard hours to obtain her goal as a Director of Planning & Land Use Department.

Ms. Burdick reviewed her Professional and Personal Affiliations as follows:

- Member - Connecticut Association of Zoning Enforcement Officers (CAZEO); Member American Planning Association (APA) (CT Chapter).
- Past Regular Member - New London Conservation, Inland Wetlands & Watercourses and Street Tree Commission (Chairwoman - 2004 to 2010, Secretary/Vice-Chair, 2010 to 2015).
- Governor Lamont 2022 Appointee — Town Planner for State of Connecticut Mobile Manufactured Home Advisory Council. Ms. Burdick stated that she was subsequently appointed as Council Chairman in September 2023; and that she remained an active member of the State Council. She noted the State Council required an extensive background check to be appointed to these positions.

Ms. Burdick went on to note in serving as a Zoning Official that one of her Land Use Decisions “*Bruce Cady v. Zoning Board of Appeals of the Town of Burlington Et Al (SC 2001 1)*” was upheld by the Connecticut Supreme Court on December 11, 2018. She stated the Supreme Court overruled two lower courts and found in her favor, stating that the Zoning Official made the right decision.

Ms. Burdick continued by stating that most importantly was her experience in Ledyard. She stated that she served as the Director of Land Use & Planning for Ledyard from April 2018 to June 2021, when she left to relocate out of state. She stated during her tenure that she felt that she developed good relationships with Elected Officials, Town Staff, and members of the public; and that she hoped those relationships would carry on into her current time in Ledyard.

Ms. Burdick stated during her time in Ledyard, she successfully assisted the Town in obtaining grant funding which including the following:

- STEAP funding for the Ledyard Town Green renovations (Upgrading all the Pavilions, adding picnic tables, and other improvements, etc.).
- LOTCIP funding for the Multi-Use Pathway on Colonel Ledyard Highway from the High School to Ledyard Center; where the Ledyard Center Sewer Project extension was being incorporated into that project.
- Secured \$2 million in Grant Funding from the Department of Housing (DOH), and Connecticut Housing Finance Authority (CHFA) for the renovations at the Kings Corner Manor Senior Citizens Housing Facility, working with Mayor Allyn, III and Ledyard Housing Director Colleen Lauer. She stated this was one of her favorite initiatives because it really needed to be done.
- Worked on the solar projects for the schools and at the WPCA site.
- Managed a multitude of Planning & Zoning and Inland Wetland and Watercourses development applications, including updating the Town's Plan of Conservation and Development (POCD).

- Participated in the Capital Improvement Budgeting processes.
- Managed the Land Use Department and its great staff.

Ms. Burdick stated that she was thrilled to have the opportunity to return to Ledyard and continue to do good work for the Town. She stated that she believed that she was a competent, experienced land use professional, and that she hoped that the Town and its elected and appointed officials and its residents would give her a chance to show that once again. She stated that she was happy to be back in Ledyard. She stated that she only recognized a few faces on the Town Council, and therefore, she wanted to introduce herself, noting that her door was always open, and that they could also email or call her anytime. She again thanked the Town Council for the opportunity to address them this evening.

Chairman Rodriguez stated that Ms. Burdick was nice enough to meet with her prior to tonight's meeting. She thanked Ms. Burdick for attending tonight's meeting, noting that she had a long list of accomplishments. She welcomed Ms. Burdick back to Ledyard.

## V. RESIDENTS AND PROPERTY OWNERS

Chairman Rodriguez stated before she opened the floor to resident comments that she would like to call on Mrs. Amy Hammer to come to the podium. She explained with the receipt of State Senator Cathy Osten's May 10, 2024 letter concerning tax relief for Mrs. Hammer, who was a Gold Star family, that she contacted Mrs. Hammer. She stated in speaking with Mrs. Hammer that she invited her to attend tonight's Town Council meeting.

**Mrs. Amy Hammer**, 39 Ash Drive, Ledyard, stated that she was a Gold Star Widow, and she questioned the reason the Town of Ledyard did not offer property tax relief to Gold Star Spouses, noting that other area towns offered tax relief. She stated if the taxes continue to go up that she would have to consider moving away.

Chairman Rodriguez thanked Mrs. Hammer for reaching out to State Senator Cathy Osten and Congressman Joe Courtney and for coming tonight to speak to the Town Council. She stated Connecticut adopted Public Act #17-65 "*An Act Concerning a Municipal Option Property Tax Exemption for Gold Star Parents and Spouses*" in 2017; and she referred the request for a property tax exemption for Gold Star Parents and Spouses to the Town Council's Administration Committee.

Chairman Rodriguez continued by stating that she would like to thank Mrs. Hammer for her service as a military spouse, noting that this Town Council acknowledges that it was not easy. She stated Mrs. Hammer's husband not only served his country well, that he gave the ultimate sacrifice for his country, noting that he is a true Hero. Chairman Rodriguez noted that her grandparents were Gold Star parents who loved their son very much stating that their pain and grief was overwhelming. She concluded by stating that she applauded Mrs. Hammer for having the courage to come forward and address the Town Council this evening, stating that it was the least the Town of Ledyard could do for their heroes who have given the ultimate sacrifice for their country. She stated the Administration Committee's next meeting was scheduled for June 12, 2024.

**Mr. Ed Murray**, 26 Devonshire Drive, Gales Ferry, stated that there were a few residents who were being the spokesperson for a number of folks who had questions and concerns about their town. He stated many residents have been involved with the Cashman Quarry Application in Gales Ferry, noting that this experience has given them a better understanding of what each of the Town Committees were responsible for and the role they should be playing in their town. He stated when residents make a decision to move to Ledyard, they invest in their homes, they raise their families, they live amongst people who have the same general desire to live in a residential neighborhood that they all share. He stated the lifestyle that they enjoy would become the core value for all other things that they do. He stated he did not think anyone of them thought it was a good idea to blow up rocks next to their house. He stated they needed to look at everything they do from the standpoint of making sure it upholds the lifestyle they want to maintain. He stated Ledyard was a small town, noting that they hear

rumors and innuendo; but what they wanted to hear was the truth. He stated the electors have given the Town Council these positions to be the caretakers for the next two-years. He stated their responsibility was to make sure that the ordinances, statutes, and regulations were held to the ultimate point of their existence, noting that they understand Elected Officials have tough job. He stated it was not only the few people who were going to stand at the podium this evening that had this issue. He stated to get a sense of how many people have raised these questions that they should think back to the last Public Hearing that was held on April 11, 2024 at the Middle School and all of the other people who attended all of the other Public Hearings over the last year or two. He stated they were all concerned and that they were going to ask hard questions. He stated that they were asking that their Elected Officials fulfill the role that they were asked to do; which was to tell them the truth.

Chairman Rodriguez noted that she also wanted to thank Mrs. Meaghan Durocher for being a Military Spouse and for the sacrifice her husband gave to our country, noting that she was a Gold Star Spouse with two children. She thanked Mrs. Durocher for her letter dated May 21, 2024, noting that it would be included on the Town Council's Communications List.

**Ms. Ann Roberts-Pierson**, 4 Anderson Drive, Gales Ferry, thanked the members of the Town Council for their service to the Town. She began her comments by quoting Thomas Murtin as follows: *"Heroes of our time are the people who quietly go about keeping their promises and offering their best to one another who are holding the world together. A force like gravity that is so basic that we are largely unaware."* Ms. Roberts-Pierson commented may we all be such a basic force.

Ms. Roberts-Pierson continued by stating her topic this evening was the firing of Town Planner Juliet Hodge on April 25, 2024 by Mayor Allyn, III. She stated the firing was abrupt, outrageous, irresponsible, cowardly, and reckless. He stated many people were concerned as was shown by the public comment at the May Town Council Subcommittee meetings; as well as seen in the eloquent letter dated May 1, 2024 from Mr. & Mrs. Graham listed on tonight's Communications List.

Ms. Roberts-Pierson continued by stating the workload for the Planning & Zoning Commission was large as witnessed at the Planning Zoning Commission May 9, 2024 Meeting, noting that paid staff was lacking. She thanked Director of Planning & Land Use, Ms. Burdick for introducing herself to the Town Council and the residents who were present this evening. She stated the Planning & Zoning Office needed to be up-to-speed with all of the Land Use Applications that were coming in, and they needed a whole team working diligently on what was likely the most complex and controversial Application the Town has received, that being the proposed Quarry Application in Gales Ferry. She stated the Exhibit Record was extensive for the first Public Hearing regarding the Application, which was withdrawn. She stated the current Re-Application was larger. She stated former Planner Juliet Hodge worked diligently to uphold Ledyard's Zoning Regulations for all of us. She stated that Ms. Hodge was dedicated, knowledgeable, and courteous.

Ms. Roberts-Pierson recommended the following:

- (1) Rehire Juliet Hodge immediately.
- (2) An investigation by the Town Council into why Ms. Hodge was let go. Ms. Roberts-Pierson questioned should the Town Council decide to take up such an investigation, how could residents follow-up on the Town Council's activities.

Chairman Rodriguez responded to Ms. Roberts-Pierson explaining the Town Council would need to vote to take on the investigation, noting that this was a personnel and human resources matter.

Ms. Roberts-Pierson stated that she would be presenting a letter from numerous citizens noting that the letter was very clear.

- (3) A Moratorium on all Land Use Application should be put into place until the Land Use Office was fully staffed and up-to-speed.
- (4) Create an Ethics Commission in 2024.

Ms. Roberts-Pierson asked whether the Town Council had any questions. She stated hearing none, Thank you.

**Mr. Carlo Porazzi**, 30 Chapman Lane, Gales Ferry, stated that he wanted to follow his fellow constituents in commenting on the Gales Ferry Intermodal (GFI) Application and other Applications forthcoming. He stated there were concerns regarding the previous GFI Application with regard to the blasting aspect; stating that blasting was prohibited. He stated Groton Utilities and the Water Pollution Control Authority (WPCA) also noted concerns; and they were hoping that the Town Council and the Planning & Zoning Commission would look at the concerns and carry them forward.

Mr. Porazzi continued by stating in the new Gales Ferry Intermodal (GFI) Application that the Applicant stated that the Inland Wetlands and Watercourses Commission did not need to be considered because the previous Application was approved. He noted because the new Application had data points that were not in the previous Application they were hoping the Inland Wetlands and Watercourses Commission would be consulted on the new Application.

Mr. Porazzi stated that it was his understanding that the Planning & Zoning Commission was allowed to hire outside expertise in certain complex matters, and he stated that he hoped this would continue and would be expanded stating the Town was up against some complex Applications. He stated that town and their residents needed experts funded by the Applicants to make sure they were getting the right information and that they were not being fed from Applicants who were well-funded. He stated the Zoning Regulations specifically state: *“Uses that were not called or spoken to, were prohibited.”* He stated pretending that blasting, quarrying, and rock crushing were allowed in tranquil neighborhoods does not make it so. He stated just because a property was Zoned Industrial does not open the door to wholesale uses and the destruction of the equity in health of adjacent neighborhoods. He stated that all Ledyard’s Zoning Regulations allowed for was excavation. He stated it was time the Town Council weighed-in on this important point and put an end to pretending that a rock quarry somehow equated to a simple excavation. He stated that the Planning & Zoning Commission should rule on this point and avoid the expense and imposition on the citizens for an extended series of Public Hearings. He stated the Town Council should make it clear that they would stand behind the Planning & Zoning Commission.

Mr. Porazzi stated the Elected Officials and appointed Commission Members serving on Boards and Commissions were volunteers noting that they were caught in the middle between the public who looked to them for protection; and what could only be described as a serious of abusive proposals that do not treat the residents fairly. He stated being part of the last GFI Application that he and his constituents do not have confidence that any compliance mandates put forward by the Planning & Zoning Commission or the Town Council would be able to be followed, which would leave them in a bad situation. He stated all neighborhoods matter regardless of where they were located, and he commented that the problem of abusive development was not confined to Gales Ferry, noting that it has continued across this town and others. He stated that they looked to them to fulfill their responsibilities, and to ensure that the town’s charter, ordinances, and regulations were upheld, as well as relevant state statutes. He stated that Ledyard was also obligated to ensure that enforcement and the provisions of the Clean Water Act delegated to them by the State to ensure that the waters in the United States on the western boarder remain protected. He stated inaction by the Town Council would allow bad actors to turn the Ledyard they know and enjoy into something far different, leaving them to clean up the mess. He stated in closing that not following the law leads to anarchy; not following the rules leads to chaos; and not following the regulations leads to abuse. Thank you.

**Mr. Alan Burton**, 166 Gallup Hill Road, Ledyard, stated that this town needed to work on communication. He stated on Thursday, May 16, 2024 he called the Mayor’s Office, noting that although the Mayor was on vacation, he left a message regarding a tree that came down while he was driving behind the High School. He stated the tree almost hit him and he almost hit another on-coming vehicle. He stated as of today, he had not received a call back. He stated that he later stopped by Town Hall, but the Mayor was out, noting that it was budget time and that he understood that the Mayor was busy. He stated he then stopped by the

Highway Garage, noting that their telephone was down because they were making improvements to the building. He stated in talking with the six employees who were there he was told that they do not deal with trees. However, he stated that the first thing they should have done was take his name and number and tell him that they would refer his issue to Public Works Director/Town Engineer Steve Masalin. He stated when he later stopped by Mr. Masalin's Office that Mr. Masalin told him that he did not have the time or budget to address trees that were not on town property. Mr. Burton stated the trees that were of concern were hanging over the road, they were breaking and falling down, and they were a safety hazard. He questioned:

- Who was responsible for the dead trees that overhang the roads.
- Who would be liable if he had hit the other car that had two kids in it because of a falling tree.

Mayor Allyn, III, stated he understood that Mr. Burton visited Town Hall, noting that he referred Mr. Burton's concerns to Mr. Masalin who is the Town's Tree Warden and also the Public Works Director and Town Engineer. Mayor Allyn stated that he spoke to Mr. Masalin who said that he spoke to Mr. Burton about the trees. He stated that Mr. Masalin mentioned the trees that were of concern were not in the town's right-of-way. He stated the town has cleared 90% of the main road canopies, explaining that the town does not have the right to enter into private property.

Mr. Burton provided a list of 53 Potential Accidents waiting to happen on seven roads in town because they were not removing the trees that were falling down. He stated that he would do the rest of the town and bring the list to the next Town Council meeting (June 12, 2024). Mayor Allyn questioned whether any of the roads were State Roads. Mr. Burton stated the list he provided this evening were all town roads. Mayor Allyn stated the town worked in conjunction with Lucas Trees Company, who was a subcontractor for Eversource, noting that they cleared hundreds upon hundreds of dead Oak Trees that were damaged by the Gypsy Moths, and the Emerald Ash Bores. However, he explained that the reality was that the town was not going to be in-charge of cutting trees down on private property. He stated property owners have to have ownership responsibility of their property. Mr. Burton stated if the tree was over a town road that it was the town's responsibility because it was a hazard. Mayor Allyn stated if the tree comes into the road, that Mr. Burton was correct. Mr. Burton stated that he was going to do every road in town and send the list to the State.

**Mrs. Eleanor Murray**, 26 Devonshire Drive, Gales Ferry, stated that she previously lived on Chapman Lane, which was on the other side of Mount Decatur. She stated that she had planned to have a party for Commodore Decatur to celebrate that Ledyard had a historic figure in their town. However, she stated Cashman put a kibosh on that plan, noting that when she found out there was going to be blasts 6 hours a day-6 days a week, for ten years, that she made up her mind that she was going to have to leave her beautiful home, that she searched 6-months to find when she moved to Ledyard from New York State. She stated she had to find another place to live, noting that she loved her new home on Devonshire Drive, stating it was a beautiful home in a great neighborhood. However, she stated that she should not have had to move, noting that other people may like to move, but may not be able to move, stating that Cashman was changing their town.

Mrs. Murray went on to state that Cashman made four changes to their Application noting that it went from 300-pages to 600-pages; and that Juliet Hodge learned the Application. She stated that they had a wrongful termination in this town, stating that Juliet Hodge should not be gone. She stated Juliet Hodge worked to help them get rid of Cashman, and that Ms. Hodge could do it again. She stated they were going to need to have more Public Hearings and that they were going to have to stop them. She stated although Cashman could not be stopped entirely, that they were going to have to try to mitigate it. She stated that Cashman would be spewing carcinogens around town, and they were going to wreck our river, noting that they wanted to put the aggregate up the river instead of down Route 12, because so many people said not to put it down Route 12.

Mrs. Murray continued by stating members of the Town Council were supposed to serve as Liaisons and go to the various Committee and Board Meetings and report back to the Town Council. She stated it was a great plan when they did it, however, it was not always being done and meetings were being missed. She stated that Committees were being told that their meetings could be recorded, except that they would need to borrow audio equipment from the town. She stated that she could guarantee that they were not checking to see if the audio equipment could be borrowed. She also noted that the Housing Authority was planning to redo the Lease language, noting in five-years the lease went from 4-pages to 11-pages, and then to 22-pages, and that she expected that the Lease would go to 30-pages. She stated that she would like to know if the Housing Authority Liaison could start going to the meetings again to look at what was going on there; noting that she was not going to the Housing Authority Meetings anymore. She stated that she was happy the members of the Town Council were in their positions, noting that she knew that they wanted to make good changes, and that they have already made some changes. She thanked the Town Council for their time.

**Ms. Deborah Edwards**, 30 Bluff Road West, Gales Ferry, attending remotely, stated that she wanted to follow-up on the resident's comment requesting the town create an Ethics Commission. She stated that she has reviewed past minutes and the Town Charter, noting that the last time an Ethics Commission was discussed was about 15-years ago. However, she stated at that time it was decided that Ledyard did not need an Ethics Commission, because they had good people. She stated that things have changed in the past 15-years and that she believed that there were conflicts of interest and ethics violations. She stated it would do their town good to have an Ethics Commission to look into these types of things and to have a place where residents could go.

Chairman Rodriguez stated that she would refer the comment regarding an Ethics Commission to the Administration Committee.

Chairman Rodriguez thanked all of the residents for their comments this evening.

IV. COMMITTEE COMMISSION AND BOARD REPORTS – None.

VI. COMMENTS OF TOWN COUNCILORS

Chairman Rodriguez addressed the following: (1) Fiscal Year 2024/2025 Budget – Chairman Rodriguez noted that the Fiscal Year 2024/2025 budget passed yesterday; and she thanked everyone who took the time to vote, share information, and speak at the numerous workshops and meetings over the past months. She thanked the Town Council, Board of Education members, Mayor Allyn, III, School Superintendent Hartling, Department Heads and staff members who worked tirelessly on the budget. She stated like every other before, the Annual Budget was the result of hours and hours of work by many people. She stated yesterday's Budget Referendum result was a strong message in-favor of that work and its goals: “*A well-run town and top-notch schools*”. She stated Ledyard's budget process was a year-round effort, so the work continues. She encouraged residents to sign up at [ledyardct.org](http://ledyardct.org) to receive meeting notifications via **Notify Me** on the Town's website and follow along as your town government puts your tax dollars to work; (2) Memorial Day Parade Sunday, May 26, 2024 - Chairman Rodriguez stated Administrative Assistant Roxanne Maher sent an email for Elected Officials to meet at the Christmas tree; (3) Ledyard Prevention Coalition – Chairman Rodriguez stated the Drug Take Back Day was successful noting that 40-pounds of unused medications were dropped off at the Senior Citizens Center on Van Tassel Drive, Gales Ferry. She continued by reporting that the Naloxone (Narcan) Overdose Emergency Kits have been installed at the Upper Town Green in Ledyard Center and at the Gales Ferry Community Center parking lot. She thanked Parks & Recreation for installing the Overdose Emergency Kits which contained Narcan, Fentanyl Test Strips, and a Resource Card to seek help.

Councilor Brunelle thanked the Ledyard Center Fire Company for inviting the Town Council to their Annual Awards Ceromony. She noted that she and Councilor Saccone attended the event stating that it was a nice gathering, and good to see the young people volunteering to serve their community.

Councilor Saccone stated he was retired from the New London-Groton Submarine Base as a civilian; and that he wanted to recognize that today was the 80<sup>th</sup> Anniversary of the loss of the Scorpion, noting that the second submarine named the Scorpion was lost in 1968. He stated they lost community members and two submarines with the same name stating that he wanted to bring awareness to their remembrance.

Councilor Dombrowski stated with the warmer weather people were out walking, and riding bicycles, and he reminded motorists to take notice of the pedestrians and to be careful. He went on to note as former Councilor Steve Eichelberg use to say, that the motorcyclists were also out. He asked that motorists use care and try to give the pedestrians a wide berth on the roads, but to also be mindful not to cross over the yellow line if someone was coming from the other direction.

Councilor St. Vil stated he was raised with the philosophy to face the facts, commenting that the passion they heard from their constituents this evening was powerful. He noted the following two points: (1) They were elected by the residents of the town; and he stated from his personal conversations with members of the Town Council that they all take their responsibilities seriously. He stated as volunteers they were doing their best to collectively determine the best outcome for the town; and (2) The best way for them to do their job on behalf of the town was to have a robust understanding of the state statutes and regulations. He stated that he has been the subject of decisions that have not gone his way, noting that it did not feel good. However, he stated it made him feel better when he felt a part of the team and when he understood that the decision was based on facts. He stated the challenge he would take away from tonight's meeting was to get a better understanding of the State Statutes and a better understanding of the Town Charter. He stated that he knew that there were members of this Town Council that have done that in the past and that they would continue to do so. He concluded by stating that he wanted to verbalize this commitment to their constituents and the members of their community.

Councilor Buhle announced the following: (1) June 8, 2028 - Harvard-Yale Regatta 10:00 a.m. – 2:00 p.m. This was the oldest intercollegiate sporting event in the United States, and Ledyard was fortunate to be home to the event. Councilor Buhle stated the Regatta Day Festival celebrates the sporting event, along with many of their local businesses, noting that Councilor Paul does an amazing job with setting up a live-stream of the race at the Sweet Hill Farm, where folks could watch the races noting that they would have food trucks, and other vendors, noting that it was a fun time for all; and (2) Congressionally Directed Grant Spending Program \$240,000 – Councilor Buhle noted at their April 10, 2024 meeting the Town Council authorized the Mayor to submit a *COPS Law Enforcement Technology and Equipment Grant* in the amount of up-to \$240,000 through the Congressionally Directed Spending initiative, to replace the Ledyard Dispatch Emergency Communications CAD/RMS System. She stated that Congressman Courtney's Office notified the town that Ledyard was one of the fifteen Projects that was selected to be submitted to the Appropriations Committee, noting that Ledyard's Grant Application stood out because of its community impact, the quality of the application and community support. Councilor Buhle explained that Ledyard's Application would now be considered by the Appropriations Committee for inclusion in the Fiscal Year 2024/2025 Appropriations Legislation. She stated although their Grant Application has not yet been approved that it was good news because it was another step forward in the approval process.

Chairman Rodriguez thanked the Registrars for their hard work yesterday (May 21, 2024) in conducting the Fiscal Year 2024/2025 Budget Referendum. She stated that they worked about fourteen hours, noting that they had to come in early to set everything up and stay late after the Polls were closed to tally the votes. She commended them for their hard work.

## VII. REVIEW AND APPROVAL OF PRIOR MEETING MINUTES

MOTION to approve the following:

Regular Meeting Minutes of April 24, 2024

Public Hearing Minutes of May 8, 2024

Moved by Councilor Buhle, seconded by Councilor Dombrowski

**VOTE: 8 – 0 Approved and so declared**

## IX. COMMUNICATIONS

Chairman Rodriguez stated a Communications List has been provided on the meeting portal for tonight's meeting; and she noted earlier this evening that she referred to the Administration Committee the resident's comment regarding an Ethics Commission.

## X. COUNCIL SUB COMMITTEE, LIAISON REPORTS

### Administration Committee

Councilor Garcia-Irizarry noted at their May 8, 2024 meeting the Administration Committee addressed the following: (1) Approved to forward a number of appointments, which were on tonight's Agenda; and (2) Proposed amendments to Ordinance #100-015 "*An Ordinance Establishing a Permanent Municipal Building Committee for the Town of Ledyard*"- Councilor Garcia-Irizarry explained that the proposed amendments included a Project Classification threshold noting *for projects whose total project cost is estimated to exceed \$500,000, an Owner's Representative and/or Consulting Engineer shall be hired through a quality-based selection process to assist the Permanent Municipal Building Committee with management and oversight of such project(s)*. She stated the Committee was continuing their work on the proposed ordinance amendments and was taking comments and suggestions regarding the document.

### Community Relations Committee

Councilor Brunelle stated the Community Relations Committee has not met since the last Town Council meeting.

### Finance Committee

Councilor Saccone stated the Finance Committee met on May 15, 2024 and they have a few items on tonight's Agenda.

### Land Use/Planning/Public Works Committee

Councilor St. Vil stated the Committee held their Regular Meeting on May 5, 2024 and on May 21, 2024 they participated in a Site Walk of the Spicer Homestead Ruins that was located within the Clark Farm property. He stated the Site Walk was very informative with regard to the historic value of the site. He also noted the value that the historic site would provide to the town with being historically relevant. He stated the Spicer Homestead Ruins would be an on-going discussion as the LUPPW Committee would continue to discuss the historic designation process at their June 3, 2024 meeting.

### Conservation Commission

Councilor Paul stated the Conservation Commission met on May 14, 2024 and addressed the following: (1) White Hall Park Report has been completed and was available at Town Hall. He stated the Report included information regarding the invasive species, plants, animals, birds, etc. and (2) Regatta Day Festival – June 8, 2024 – Councilor Paul stated the Conservation Commission would be at the Festival and he encouraged residents to stop by and see them.

Councilor Buhle added that the Conservation Commission nominated Commission Member Betsy Graham for the *Aquarian Adult Environmental Champion Award*. She noted that she was pleased to announce that Mrs. Graham was selected to receive the *Award* which honored the efforts of individuals, businesses and organizations across Connecticut who were committed to preserving the environment.

### Parks, Recreation & Senior Citizens Commission

Councilor Paul stated the Commission met on May 21, 2024, noting that there was not much to report on.

### Ledyard Center Fire Department

Councilor Saccone reported on the following: (1) Annual Banquet – Councilor Saccone stated as Councilor Brunelle mentioned during Councilor Comments earlier this evening, that Ledyard Center Fire Department held their Annual Banquet, noting that both he and Councilor Brunelle attended the event. He explained that each year both the Ledyard

Center Fire Department and the Gales Ferry Fire Department each hold their Annual Banquet, noting that it gives each Company a night off, explaining that each Sister Company covered the emergency calls in each other's territory. He stated it was a great event noting that Awards were presented to the volunteers; (2) New Fire Tanker – Councilor Saccone stated that the Fire Department was continuing to purchase and mount equipment to get the truck ready for use.

#### Retirement Board

Chairman Rodriguez stated the Retirement Board cancelled their May 21, 2024 meeting.

#### Ledyard Farmers' Market Committee

Chairman Rodriguez stated the Farmers Market was excited about their 2024 Market Kick-Off on June 5, 2024, noting that they have been diligently working to make sure everything was lined up and ready to go for another great summer season, noting that they have 49 Vendors that would be participating in this summer's Market. Chairman Rodriguez stated that she was excited and looking forward to going to the Farmers' Market.

#### Library Commission

Councilor Garcia-Irizarry stated the Library Commission met on May 20, 2024, however, she stated that she was not able to attend because the Annual Town Meeting for the Fiscal Year 2024/2025 Budget was also held that same evening. Councilor Garcia-Irizarry stated the Library celebrated the 200th Birthday of Henry Bill on May 18, 2024.

#### Board of Education

Councilor Garcia-Irizarry stated the Board of Education met on May 15, 2024 and addressed the following: (1) CAFE (Carney Award of Excellence for Educational Communications) Student Leadership Awards – Two Middle School Students: Andrew Hernandez and Sydney Mohr; and two High School Students Sean Harren and Alisa Starkova were recognized for their achievements; (2) School(s) Consolidation Improvement Projects (Middle School and Gallup Hill School) Grant Funding Reimbursement– The State would be releasing about \$7 million to the town; (3) Agri-Science Technology Education (ASTE) Grant – The Board of Education approved to request the Town Council transfer \$129,698 from their Grant Account to the ASTE Capital Account. The Agri-Science Teachers would be developing a list for the use of the funding; (4) Proposed amendments to Ordinance #100-015 “*An Ordinance Establishing a Permanent Municipal Building Committee for the Town of Ledyard*” – The Board of Education had some questions regarding the proposed amendments.

#### Agricultural Commission

Councilor Dombrowski stated the Agricultural Commission cancelled their May 21, 2024 meeting.

#### Water Pollution Control Authority

Councilor Dombrowski stated the WPCA would be meeting on May 28, 2024.

#### Inland Wetland and Watercourses Commission

Councilor St. Vil stated the IWWC cancelled their May 7, 2024 meeting.

#### Planning & Zoning Commission

Councilor St. Vil stated the Planning & Zoning Commission had several discussions and has scheduled a Special Meeting for Thursday, May 30, 2024 to review an 18-Lot Subdivision and a Mobile Park Application. Councilor St. Vil continued by noting the Planning & Zoning Commission received an Application for work at the former Dow Chemical-Styrenics Site on Route 12, Gales Ferry. He stated a Public Hearing – Special Meeting was scheduled for Thursday, June 13, 2024 at 6:00 p.m. at the Middle School for those interested in attending in-person and that it would also be available via Zoom.

**\*\*POST MEETING NOTE\*\*:** 5/28/2024: Attorney Heller letter dated 5/28/2024 withdrew the Application for Dow Chemical-Styrenics Site, noting that they would resubmit at a later time. The June 13, 2024 Planning & Zoning Commission meeting would be held at its regular location at the Town Hall Annex – Council Chambers.

Economic Development Commission

Councilor Buhle stated the EDC cancelled their May 7, 2024 meeting.

XI. MAYOR'S REPORT

Mayor Allyn, III, reported on the following: (1) Legislative Updates – (a) Solid Waste Bill – Mayor Allyn stated Connecticut had a crisis emerging in the state with about 900,000 tons of trash annually being trucked to landfills in Pennsylvania, New York, and Ohio. He stated instead of acting on the Solid Waste Bill that the State Legislature increased the weight capacity of the trucks hauling the trash from 80,000 pounds to 100,000 pounds; (b) Motor Vehicle Tax – Mayor Allyn stated although the proposed Bill was not approved, they promised to bring the Bill back next year. He explained the Bill included a Local Option which would allow each of the 169 Municipalities to decide whether they would tax motor vehicles or not. He stated for the Municipalities who chose not to tax motor vehicles that the Assessment Rate for Real Property would increase from 70% to 90%, causing property owners to absorb the loss of tax revenue; (c) Street Take Over Bill – Mayor Allyn stated the Street Take Over Bill passed the House but did not make it to the Senate floor, noting that they hoped to bring this Bill back again next year; (d) New Bill for next year would require all Municipalities accounts to go to .gov Accounts by the year 2027. He noted that Ledyard was currently a *ct.org* Account; (2) Land Use Department Staffing – Mayor Allyn stated a new Land Use Assistant was hired and would join the town on May 28, 2024; (3) School(s) Consolidation Improvement Projects (Middle School and Gallup Hill School) Grant Funding Reimbursement – Mayor Allyn stated all the paperwork for these Construction Projects was fully submitted to the Department of Administrative Services (DAS). He noted that the Town also submitted to the DAS *Waiver Requests* regarding “*Untimely Filings*” explaining that there were a number of reimbursements requests that were submitted to the State late. He stated in his Waiver Request letter dated May 22, 2024 he made a plea to the State noting that it was causing undo stress to the Municipality because they were having to pay Short-Term Borrowing costs as they wait for the State to release the Grant Reimbursement Funding to the Town. He stated the late submissions were due to the high turnover within the contractors during the projects, and that some things fell between the cracks between the contractor and the Permanent Municipal Building Committee (PMBC). He stated that he would be following up with the DAS to see that they received Ledyard’s letters and that he hoped that the Town would receive a positive response; (4) Board of Education Roof Projects – Mayor Allyn stated the Bids received were favorable. He explained when the Town initially submitted the Projects to the State that the State said Ledyard’s costs per square foot were too low and that they needed to revise their Request for Proposals (RFP) and solicit bids again, which slowed the Projects down. Therefore, he stated the Town followed the State’s direction and rebid the Roof Projects, noting that the costs still came in under the square footage, and that they were in-line the first time the Town solicited bids. He stated that the Contractors have assured the Town that they would be able to have the Roof Projects done by September, 2024. He noted that there would be some overhead work issues that the Contractors would have to work around as they were doing the roofing and solar installations; (5) Nuclear Safety Drill June 4, 2024 – Mayor Allyn stated this Drill would be evaluated by Federal Emergency Management Agency (FEMA); (6) State Emergency Planning & Preparedness Initiative (EPPI) Drill was also planned for June; (7) Linda C. Davis Food Pantry Siding American Rescue Plan Act (ARPA Funding – Mayor Allyn stated the replacement of the windows, doors, and siding were in-progress. He noted that the work was progressing nicely and that the building looked great; (8) Finished Basements Assessments – Mayor Allyn noted a resident who attended the May 20, 2024 Annual Town Meeting regarding the Fiscal Year 2024/2025 Budget spoke about the number of finished basements that were not on the tax rolls. He stated that he provided the packet to the Tax Assessor, and found in reviewing every home on the list that there were eleven properties that had tax changes for a finished basement that were not already in their system, totaling \$970.00 of new taxes; (9) Beverage Container Surcharge Revenues – Nip Bottle Payment – Mayor Allyn noted that the State disbursed funding collected from the .05 cent surcharge on each nip bottle sold in each municipality twice a year (every six months). He stated for the past six months Ledyard received \$15,503 from the Nip Bottle Surcharge, noting that equated to 310,060 nip bottles being sold in town from October, 2023 - April, 2024. He stated that was 20.11 nip bottles per capita in Ledyard, noting in Southeastern Connecticut that Norwich had the highest nip bottles sold per capita at 30.27; New London 26.11; Groton 22.71. He stated the .05 cent surcharge has not done anything to change the number of nip

bottles that were littering their roads; (10) National Opioid Settlement Funding – Mayor Allyn stated Ledyard would receive their next Opioid Payment in the amount of \$9,098 between June 30, 2024 – July 15, 2024. He stated the \$9,098 was a combined payment from CVS, Allergan, and Teva; (11) Avalonia Land Conservancy – Mayor Allyn stated that Avalonia Land Conservancy was looking to acquire another piece of property in Ledyard and would be seeking town participation for this Open Space Acquisition. He stated in speaking with Avalonia Land Conservancy President Dennis Main today that he stated once Avalonia had a contract for the property that he would talk with the Town Council to explain how it would tie into other open space.

**Questions to the Mayor** - None.

XII. OLD BUSINESS – None.

XI. NEW BUSINESS

**Administration Committee**

1. MOTION to appoint Mr. Peter Diette (U) 15 Hyde Park Drive, Gales Ferry to the Library Commission to complete a two (2) year term ending November 7, 2024 filling a vacancy left by Ms. Gantz.

Moved by Councilor Garcia-Irizarry, seconded by Councilor Brunelle

Discussion: Councilor Garcia-Irizarry stated the Town Council received three applications to fill one vacancy on the Library Commission, noting that after seventeen years of service Ms. Gantz decided to stepped down. She stated that all of the candidates offered an extensive educational background and experience. She stated the Administration Committee recommended that Mr. Diette to be appointed to fill the position. She went on to state that Mr. Diette was employed as a Library Media Specialist at Groton Public Schools, and he also worked at the Stonington Free Library. She stated that Mr. Dietter also has a Master of Library and Information Sciences.

Chairman Rodriguez stated that Mr. Diette was an excellent candidate for the Library Commission.

**VOTE: 8 – 0 Approved and so declared**

Finance Committee

7. MOTION to approve a water rate increase of 5% to become effective on July 1, 2024 as recommended by the WPCA and contained in the water and sewer rate table presented at the WPCA April 23, 2024 Public Hearing; in accordance with Ordinance #400-001 “An Ordinance Creating a Water Pollution Control Authority for the Town of Ledyard”.

Moved by Councilor Buhle, seconded by Councilor Dombrowski

Discussion: Councilor Saccone explained in accordance with Ordinance #400-001 “An Ordinance Creating a Water Pollution Control Authority for the Town of Ledyard” and *CGS Chapter 102, Section 7-239, the Town Council shall set just and equitable rates or charges of the water system that shall be sufficient for the payment of expense of operation, repair, replacement and maintenance and foreseeable capital expenses of such system.*

Charman Rodriguez noted that WPCA Chairman Ed Lynch was present this evening and she asked whether he would like to provide additional information regarding the requested 5% water rate increase.

Mr. Ed Lynch, 11 Red Brook Lane, Ledyard, WPCA Chairman, attending remotely, stated that he would provide the same comments that he gave at the Finance Committee’s May 15, 2024 meeting. He explained the following two reasons for the Water Rate increase:

- (1) Water Rate Increase – Mr. Lynch stated that Groton Utilities notified the WPCA that they would be increasing the cost of water by 5% to commence on October 1, 2024. He stated in accordance with *CGS Chapter 102, Section 7-239*, and Ordinance #400-001 the WPCA held a Public Hearing on April 24, 2024 to present the proposed water rate increase to the rate payers.
- (2) Lead Sampling Survey – Mr. Lynch stated Water Providers now have an unfunded mandate to investigate lead in their system. He stated although he did not believe the WPCA had lead in their water system that it was not documented. Mr. Lynch continued by explaining in past years the WPCA did not allocate funding in their Contingency Account. However, he stated because the State Department of Health (DPH) was pressing water providers to conduct a Lead Sampling Survey, the WPCA allocated \$35,476.44 in their Contingency Account for the upcoming Fiscal Year 2024/2025. He explained that this would be an on-going process for the next 3-5 years to determine if they had any lead in their system. He stated the WPCA applied for a Grant through the Department of Health.

Councilor St. Vil questioned whether the 5% Rate Increase would apply to both water and sewer. Mr. Lynch stated the sewer rate would remain the same, explaining that the WPCA fixed the factor so that sewer rate would be the same as the previous year.

Councilor St. Vil noted the following two components were the drivers for the 5% Rate Increase: (1) Groton Utilities raised their water rate by 5%. Councilor St. Vil stated he understood that this was a pass thru; and (2) Unbudgeted Mandate Lead Sampling Survey – Councilor St. Vil questioned whether the 5% Rate Increase would be used to partially fund the unbudgeted mandates. Mr. Lynch stated in past years the WPCA did not budget any funding for Contingency; and therefore, the WPCA did not have funding to pay for unfunded mandates. Mr. Lynch stated the WPCA decided to add a Contingency Line to their budget so that they could handle unexpected mandates going forward. Councilor St. Vil questioned if the WPCA budget 5% increase was to cover the cost of both the Groton Utilities 5% water rate increase and the WPCA’s Contingency budget, whether the rate increase should be higher than 5%. Mr. Lynch stated the total WPCA Fiscal Year 2024/2025 Budget increase was 5%. Councilor Dombrowski explained that the increase was not one-to-one. Councilor St. Vil thanked Mr. Lynch for providing clarification.

**VOTE: 8 – 0 Approved and so declared**

RESULT:	APPROVED 8 - 0
MOVER:	Jessica Buhle, Town Councilor
SECONDER:	Kevin Dombrowski, Town Councilor
AYES:	Brunelle, Buhle, Dombrowski, Garcia-Irizarry, Paul, Rodriguez, Saccone, St. Vil
EXCUSED:	Ryan

8. MOTION to approve two tax refunds in the combined total amount of \$7,321.19 with each exceeding \$2,400.00 in accordance with tax collector departmental procedures.
- Kineo Properties LLC \$3,602.19
  - Messier, Massad, Burdick & Associates \$3,719.00

Moved by Councilor Buhle, seconded by Councilor Saccone

Discussion: Councilor Buhle stated in accordance with policies established for the Tax Collection Department, refunds to taxpayers exceeding \$2,400 are to be approved by the Town Council. She stated that tax refunds were typically due to an overpayment or double payment to the taxes.

**VOTE: 8 – 0 Approved and so declared**

RESULT: APPROVED 8 - 0  
 MOVER: Jessica Buhle, Town Councilor  
 SECONDER: Tony Saccone, Town Councilor  
 AYES: Brunelle, Buhle, Dombrowski, Garcia-Irizarry, Paul, Rodriguez, Saccone, St. Vil  
 EXCUSED: Ryan

General Items

9. Town Council’s 2024 Summer Meeting Schedule.

By consensus the Town Council agreed to cancel the following Town Council Regular Meetings:

- July 10, 2024
- August 28, 2024

XV. ADJOURNMENT

Councilor Buhle moved to adjourn, seconded by Councilor Paul

**VOTE: 8 - 0 Approved and so declared.** The meeting adjourned at 8:24 p.m.

---

Transcribed by Roxanne M. Maher  
 Administrative Assistant to the Town Council

I, S. Naomi Rodriguez, Chairman of the Ledyard Town Council,  
 hereby certify that the above and foregoing is a true and  
 correct copy of the minutes of the Regular Town Council

**Subject: State Project No. 072-090 RNV – Ledyard Middle School  
Late Filing Penalty Waiver Request**

Dear Ms. Sun:

The Town of Ledyard would like to formally request a waiver of any late filing penalties for failing to submit a final grant application within one year from the date of completion and acceptance of the school building project by the board of education as outlined in CGS 10-287(d)(1) as it pertains to the Ledyard Middle School Renovation Project.

Late filing of the final grant application can be attributed in part to the following:

1. Lack of knowledge of the requirement. The renovation project, by town charter, was assigned to the Permanent Municipal Building Committee. The Committee is made up of town citizens that volunteer their time to sit on the committee. Understandably so, the members of the committee were not familiar with the process and related requirements.
2. Lack of guidance from the construction manager. The town did not hire an independent owner's representative to assist with the project. As such, the town relied on the guidance of the construction manager. There was turnover over of senior level personnel that the town believes led to a lack of project oversight and guidance.
3. Lack of timely review of state change orders. The Town hired Colliers Project Leaders in May 2022 to assist with the closeout process. Colliers quickly identified that several state change orders that had been submitted to the State had not been responded to in a timely manner and assisted in the review of them.
4. Staff turnover. There was staff turnover at both the Town and the Board of Education that led to inconsistencies with project knowledge and execution and ultimately impacted the process.

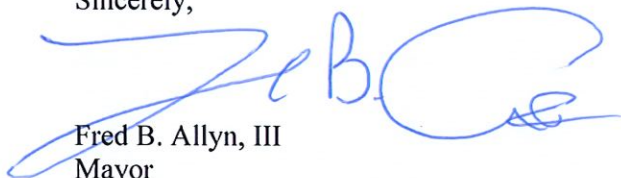

Additionally, and probably most important, is the financial hardship that the late filing penalty would cause to the town. The town is already incurring significant borrowing costs as the Town carries the short-term notes necessary to fund the project while the Town awaits final reimbursement. The Town would be forced to bond additional monies to address the impact of the penalty which would cause a ripple effect 20 years into the future.

Upon review of C.G.S. 10-287(d)(1), it states the commissioner "may" withhold ten percent of reimbursement. Our interpretation is that it's not "required" to be withheld. As noted above, doing so would only further penalize our town when monies have been held back on the project.

In closing, we hope that you look favorably upon our request to waive any such penalty.

Sincerely,

Fred B. Allyn, III  
Mayor  
Town of Ledyard

Ledyard Town Council  
741 Colonel Ledyard Highway  
Ledyard, CT 06339

Dear Chairwoman Rodriguez and members of the Ledyard Town Council,

I am writing today because I recently had a constituent from Ledyard reach out to me regarding tax relief she was seeking from the town as a Gold Star spouse. She was unfortunately unable to obtain said relief as the town has not implemented a property tax exemption for Gold Star parents and spouses.

While the state statute that establishes this municipal tax relief option is permissive, I believe that it would be worthwhile for Ledyard to consider implementing such tax relief as a way to honor those veterans and their families who have sacrificed so much for us all.

Thank you for your kind consideration of this request.

Sincerely,

A handwritten signature in black ink that reads "Catherine A. Osten".

Good evening Ms. Rodriguez,

My name is Meaghan Durocher and I am a Gold Star Spouse living (and working) in the town of Ledyard with my two children.

Through our Gold Star Family coordinator, I have been made aware of another spouse in town (Mrs. Hammer) working with you to try to get a property tax exemption or reduction for Gold Star families.

Thank you for championing the effort with Mrs. Hammer for our benefit and for the benefit of any current or future Gold Star spouses living in our precious community.

I will be in attendance of tomorrow evenings Town Council meeting at 7pm. If there is any way that I can assist with or support your efforts, please let me know.

Should you need to reach me by phone, my number is 207-752-2105.

Thank you again for assisting with this cause,  
Meaghan Durocher

## INTRODUCTION

In response to recent developments impacting Ledyard's land use determinations, numerous citizens wish to convey our concerns to the Town Council and to emphasize the necessity for the Council to promptly exercise your oversight responsibilities as provided by our Charter. We are proud residents of Ledyard. We all made the conscious decision to live here, to invest in our homes, to raise our families here, and enjoy this tranquil, historic community with our neighbors. All of us had the expectation that this lifestyle would remain and be the significant core value by which all town decisions are made. We continue to believe this to be true.

We are apparently witnessing an annual effort by Cashman, Inc., and others, to turn Gales Ferry into little more than a company town. All other commercial applicants obtain zoning approval for their plans prior to purchasing a property. That process has been reversed here in an attempt to conduct an end run around our regulations. If the 2022 proposal was bad, the 2023-2024 proposal demonstrates a total lack of concern for our community, if not outright hostility. The objective is to make as much money as possible, in any way possible, regardless of the effect on those of us who choose to live here.

The latest proposal is diametrically opposed to our concerns and has no place in our community. We ask our elected and appointed representatives to ensure all land use applicants are telling the truth. The whole truth. And not to assume anything they say is the truth, unshaded by omissions. All submissions must be verified and no stone left unturned in our efforts to protect our town and all our residents.

Our concerns are not confined to a single pending application in Gales Ferry, but to a **pattern of abuse extending across Ledyard**. Developers have for too long been bending the rules and negatively impacting neighborhoods and our residents.

---

Our areas of concern, as they relate to both long-standing issues and the ongoing Special Use Permit application (PZ#24-3 SUP) now before the Planning and Zoning Commission, are itemized below, in no particular order. This application is arguably the most complex one in the town's history (having already accumulated a paper trail extending across thousands of pages of exhibits, prior to commencement of the second set of hearings), with the potential to substantially alter both the regional landscape, and to exert a profoundly negative impact on property values across both Ledyard and Montville.

As our Plan of Conservation and Development declares:

### **Section 7 - Economic Development**

. . . development that does not alter the character of the town and which **improves the quality of life** for residents should be encouraged. The challenge will continue to be to encourage commercial and mixed-use development where appropriate, while **protecting the quality of life, property values, and the environment of the existing residents**.

The Zoning Regulations exist to protect us all. Unless the citizens and their representatives maintain constant vigilance, a parade of actors will attempt to subvert them for financial gain. For too long, a handful of individuals have abused Ledyard's land use system to line their pockets at the expense of the rest of us.

---

## NECESSITY OF A COUNCIL INVESTIGATION

Under the Charter, the Council is tasked with **initiating investigations** and is empowered to obtain the necessary evidence to determine the truth:

**Chapter III, Section 9; Investigation:**

The Town Council shall have power to investigate **all offices** and agencies of and for such purposes shall have the power to call witnesses to appear before the Town Council to testify on any matter under investigation. The Chairman, or chairman pro-tempore, upon authorization of the Town Council, shall have the power, for such investigation, to **issue subpoenas**, and, at his request, any judge of the Superior Court may compel the appearance of witnesses and the production of books, records, and papers.

It is incumbent upon the Council to provide the public with transparency regarding the recent termination of the Town Planner, an incident which has thrown a wrench into the town's land use regime and which was conducted secretly, cowardly, and arbitrarily. It was also conducted in violation of the Charter which requires that the head of the Land Use Department can only be retained or dismissed in consultation with the Planning & Zoning Commission:

**Chapter IV, Section 3; PLANNING & ZONING COMMISSION**

The Planning & Zoning Commission **shall** advise the Mayor, regarding the **appointment and removal** of a Zoning Official, who shall be charged with the implementation and enforcement of the policies and regulations of the Planning & Zoning Commission.

Why do we have a Planning & Zoning Commission if the Mayor can arbitrarily usurp their authority under the Charter? (And as we recently learned, why do we have a Town Council if the Mayor can play budget games to embarrass the Council?) The termination of the Town Planner was obviously done strategically, to occur after said Special Use Permit application was received, so as to force town officials to go silent to avoid negatively impacting the almost certain litigation to follow. Town officials — including yourselves — have undoubtedly been instructed by counsel to avoid public discussion of this matter because of the potential for litigation. Allowing this essentially financial approach to control matters at this point could prove a **false economy** — on a grand scale. Because of the magnitude of the proposal at issue, the potential for a massive class action against the Town — from property owners on both sides of the Thames River — could prove ruinous and lead to de facto bankruptcy. Rather than a short-term focus on a comparatively minor financial cost, town leadership needs to consider the long-term impact on Ledyard's land use culture and the resulting impact of quality of life issues for our residents.

A failure to openly address this issue now — no matter how uncomfortable this might be — could potentially be disastrous. We are entering the realm of a banana republic, the antithesis of representative democracy. The political situation in Ledyard will continue to deteriorate until the public receives a full and prompt accounting of recent events. It was no coincidence that a Planner intent upon enforcing the regulations — produced through a democratic process — lost her position on the eve of the adjudication of an application with the potential to permanently alter the complexion of the town, and the process by which she was removed was the antithesis of an open, democratic one. Again, our concerns are not with a single land use application, but with a pattern impacting multiple Ledyard neighborhoods now and in the future being preyed upon by developers.

---

**CONFLICTS OF INTEREST**

Under the Charter **all** town officials (employed, elected, or appointed) must disclose any financial interest or other conflict they might possess.

## **SECTION 6. CONFLICTS OF INTEREST**

**Any elected or appointed officer** or any employee of the Town who has a financial interest or personal benefit, direct or **indirect**, in any contract, transaction, or decision of any board or commission to which the Town is a party, shall disclose publicly that interest to the appropriate board or commission **and the Town Council in advance of discussion or action on the matter**, which shall record such disclosure upon the official record of its meetings. The Town Council may by ordinance specify what is, or what is not a conflict of interest for officials and employees of the Town.

**Willful violation by any such officer or employee of the provisions of this section shall be grounds for his removal.** Violation of this section with the knowledge, express or implied, of any person or corporation participating in such **contract**, transaction, or **decision** shall render the same **voidable by the Town Council, or by a court of competent jurisdiction.**

It should be noted that **any** town official is at risk of removal due to a failure to adhere to the above policy. As part of its investigation into the secret termination of the Planner, it is necessary for the Council to explore any professional conflict held by the Mayor. A failure of the Council to remove any offender of this policy would invite subsequent violations. Public officials who mix their business interests with their official responsibilities destroy trust in our government.

In the context of council investigations, it should be noted that the Charter states:

### **Chapter VI, Section 1, TOWN ATTORNEY:**

If in **special circumstances or for any investigation** under Chapter III, Section 9, the Town Council deems it advisable, it may provide by resolution for the temporary employment of counsel **other** than the Town Attorney.

Under the Charter's **Chapter IV, Section 9; APPOINTMENTS AND REMOVALS**, the Town Council has the ability to remove any officer that fails to adhere to the conflict of interest protocols:

Except as otherwise provided in this Charter, the Town Council may remove for improper performance of his duties, **for malfeasance or misfeasance in office**, or for other proper cause, **any officer**, any member of any board, commission, committee, or any employee appointed by it, provided the officer, member, or employee shall have been served with a written notice of intention of the Town Council to remove him, containing a clear statement of the grounds for such removal, and of the time and place not less than ten (10) days nor more than thirty (30) days after the service of such notice at which he shall be given an opportunity to be heard thereon.

## **STATE STATUTE**

Under Connecticut statute, no town planning commission member with any conflict of interest, direct or indirect, may participate in any decision. If this were done it would render that decision void. We are proactively alerting the Council to this potential should it develop in the near future and there is a need for the Council to play a role.

**Sec. 8-21. Disqualification of members in matters before planning or zoning commissions or zoning board of appeals.**

No member of any planning commission shall participate in the hearing or decision of the commission of which he is a member upon any matter in which he is directly or **indirectly** interested in a personal or financial sense. In the event of such disqualification, such fact shall be entered on the records of the commission and, unless otherwise provided by special act, replacement shall be made from alternate members pursuant to the provisions of section 8-19a, of an alternate to act as a member of such commission in the hearing and determination of the particular matter or matters in which the disqualification arose.

---

### GROTON UTILITIES' & WPCA's CONCERNS

In the January 31, 2024 submission from the Water Pollution Control Authority (attached) to the Planning and Zoning Commission, relaying the concerns of Groton Utilities, a request was made through the WPCA to retain blasting expertise (which Groton Utilities lacks) on the potential impacts to their water mains and subsidiary lines adjacent to the proposed blasting zone. Leak testing of water mains within a half-mile radius of the proposed blasting zone was also requested. It does not need stating that the water supply to thousands, on both sides of the Thames River, hangs in the balance. It is incumbent upon the Council to address this existential matter, **before** the Planning and Zoning Commission takes it under review. The relevant text from the letter reads (emphasis added):

As a third party interested in protecting Ledyard's investment in the water system, the following four conditions **need to be met**:

1. Blasting specialist expertise needed: Both the WPCA and GU do not have on staff a specialist to determine what impact, if any, blasting near underground pipe may have, particularly when the route 12 16-inch iron ductile main is **only 50 feet away**. The commissioners and GU would like to **request that an expert in blasting near underground utilities be employed** to outline the risks and precautions that need to be taken to minimize blasting damage risks.
2. Before any blasting takes place, that we conduct a leak test, at Cashman's expense, on the main 16-inch line on route 12 extended from the center point of the blasting activity to at least ½ mile in either direction. In addition to route 12, the line under the road in the south of the blasting area (Chapman St) including all service lines for each resident on that road also be leak tested.
3. That blasting vibration instrumentation be deployed, at Cashman's expense (based on the above expert's suggestion) covering the route 12 16 inch main before and during blasting activity.
4. Because the state of Connecticut requires the local water service authority (that is the WPCA) to bring water to residents that have failed wells, that Cashman - at their expense, provide the cost to deploy water service (called water main extensions) to the resident that has a failed well if all parties agree it was due to blasting - up to the meter pit which is on the resident's property line.

In addition, a question of bonding and or insurance be posted in the event of a failure to any of the water services as outlined above has been raised. As we are not familiar with the mechanism for such insurance, we will leave this up to Planning and Zoning for further discussion.

---

### EXISTENTIAL CONCERNS

There has been no response from town officials to this WPCA letter since it was issued, and the issue is being studiously ignored by the applicant. Is it not long overdue for the Town Council (and others) to have a discussion regarding this matter? The water supply of many citizens in two towns — for homes on both wells and city water — hangs in the balance. The financial repercussions could be ruinous. WPCA and

Groton Utilities have spoken, but who is listening? Montville officials are concerned, as their water supply is potentially at risk. We have reason to believe Montville officials will come out strongly opposed to blasting hundreds of feet from their citizens and in the close vicinity of a water main serving them.

It hardly needs pointing out that the potential for financial ruin of the town needs to be taken into consideration. And there does not appear to be any viable means of imposing sufficient bonding or insurance on the applicant. We have seen no evidence that anyone in the rest of town government has any intention of ensuring Groton Utilities' and WPCA's four conditions are met, or has any idea of how to go about doing so given the scale of the potential risk. It is not optional for the Council to remain detached from this existential concern.

---

### **A NEW IWWC PERMIT IS MANDATORY**

The resubmission of the referenced Special Use Permit requires starting afresh, with a new Inland Wetlands and Watercourses permit. The permit previously issued last year has been rendered void because at that time no mention was made of the intent, stated after the IWWC permit approval, to use copious (yet unquantified) quantities of sprayed water for dust suppression during the blasting, excavation, and crushing activities proposed. It apparently now falls to the part-time Planner we have been assigned — in collaboration with the town attorney — to make the determination as to whether an IWWC resubmission is called for.

**The Council needs to weigh in on this essential point**, as the previous Planner was apparently fired, in part, for advocating the necessity of a new IWWC permit. The City of Groton has filed for intervenor status for a pending application because they assert the need for IWWC review and the necessity of enforcing the federal Clean Water Act. Allowing applicants and staff to arbitrarily adjudicate the necessity of IWWC review is unacceptable. The Council must step in to allow IWWC to make such determinations.

---

### **RETAINING OUTSIDE EXPERTS TO ADVISE THE TOWN**

Town ordinances provide for retaining **outside experts** to provide consultation when complex applications come before town boards. This is to ensure applicants are telling us the truth. While we have retained a stormwater expert to examine the application, and IWWC requires their own experts to properly vet the proposal, as the previous Planner advocated. The Council needs to weigh in on this essential point, another apparent reason for the recent firing.

---

### **THE GREAT PRETENSION**

The Zoning Regulations declare that uses not specifically allowed are prohibited:

**3.6.D. Prohibited if not permitted:**

Any use of land, buildings or structures not expressly permitted by these Regulations as a **principal use** in a particular Zoning District, or allowable as an accessory use to such a principal use, is prohibited in that District.

**Pretending** that blasting, quarrying, and rock crushing are allowed in a tranquil neighborhood does not make this so. Just because a property is zoned industrial does not open the door to wholesale uses and destruction of the equity and health of adjacent neighborhoods. All that our Regulations allow is excavation. It is time that the Council weighed in on this important point and put an end to the pretending that a rock quarry somehow equates to a simple excavation. The Planning and Zoning Commission should rule on this point and avoid the expense and imposition on the citizens of an extended series of public hearings. The Town Council should make it clear that it will stand behind the Planning and Zoning Commission and would

be glad to defend this important point in court.

---

### **AVOIDING LITIGATION CAN EVENTUALLY LEAD TO MORE LITIGATION**

Fear of lawsuits is no way to run a town because it eventually (which has now arrived) opens the door to wholesale abuses. Some litigation is worthwhile to engage in to preempt litigation of greater magnitude. Any attorney who advises against litigation when it is appropriate is an attorney without confidence in his ability to prevail in court. The result of such advice is we are now confronted with the farce of an alleged “excavation application” when it is something far different.

---

The volunteers serving on town boards, including yourselves, have been caught in the middle between the public which looks to you for protection, and what can only be described as a series of abusive proposals which treat Ledyard residents as cattle. Based on the experience with this application to date, we have no confidence that if approval was granted, voluntary compliance with any conditions imposed by the Planning and Zoning Commission could be anticipated. Approval of an inherently flawed application would almost certainly guarantee the impossibility of enforcing its provisions.

**All neighborhoods matter**, regardless of where they might be. The problem of abusive development is not confined to Gales Ferry, it has metastasized across the rest of town. We look to you to fulfill your responsibilities to preserve the Ledyard we all call home and to ensure our Charter, Ordinances, and Regulations are upheld, as well as relevant State statutes. Ledyard is also obligated to ensure enforcement of the provisions of the federal Clean Water Act, delegated to us through the State, to ensure the Waters of the United States on our western border remain protected. Inaction by the Council would allow bad actors to quickly turn the Ledyard we know and enjoy into something far different, while leaving the rest of us behind to clean up the mess.

Town of Ledyard Planning and Zoning Commission  
Attn: Mr. Anthony Capon, Chairman  
741 Colonel Ledyard Highway  
Ledyard, CT 06339

Re: Gales Ferry Intermodal, LLC  
Application for Special Permit Modification, Site Plan Approval and Coastal Site Plan Approval in conjunction with a proposed rock excavation (Industrial regrading) to create additional developable land on property at 1737 and 1761 Connecticut Route 12, Ledyard, Connecticut

Dear Mr. Capon:

Please be advised that Gales Ferry Intermodal, LLC, the owner of property located at 1737 and 1761 Connecticut Route 12 in the Gales Ferry section of the Town of Ledyard, Connecticut hereby withdraws the above referenced application which is currently pending before the Ledyard Planning and Zoning Commission for consideration. This withdrawal is made in response to the following circumstances:

1. The Town of Ledyard has recently hired a new Director of Planning who is neither familiar with the property of our client nor the permitting endeavors with respect to this property which have been promulgated before the Ledyard Planning and Zoning Commission over the past eighteen (18) months.
2. The new Director of Planning has indicated that, based upon her workload and the technical complexity of the Gales Ferry Intermodal, LLC application, she will not have sufficient time to properly evaluate the application and provide competent guidance to the Ledyard Planning and Zoning Commission with respect to the subject application considering that the public hearing on this application is scheduled to commence on June 13, 2024.
3. At a meeting of the Ledyard Town Council held on May 22, 2024, public comment was proffered evidencing concerns that the recently-hired Director of Planning may not have sufficient time to properly evaluate the Gales Ferry Intermodal, LLC application and advise the Ledyard Planning and Zoning Commission accordingly.

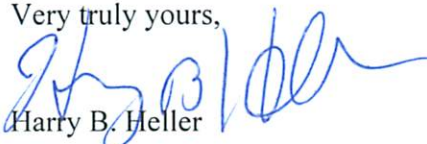

4. We have been advised that the Ledyard Land Use Department is currently short-staffed placing additional burdens on the Director of Planning.
5. The public hearing process, together with all statutorily allowable extensions, must be completed within one hundred (100) days. As a result of the circumstances listed in Items 1 – 4 above, Gales Ferry Intermodal, LLC is concerned that it may not have sufficient time to respond to staff review comments with respect to the pending application, particularly in the event that the Director of Planning is not in a position to generate the same until later in the public hearing process.

Therefore, the application is hereby withdrawn in light of all of the above referenced circumstances, all of which are of material concern to the Applicant. You are hereby further advised that the Applicant intends to resubmit this application in the very near future, providing a reasonable amount of time for the Director of Planning to review the materials which were submitted in conjunction with the withdrawn application so that she is adequately familiar with the materials contained therein and the compliance of the application and submission materials with the requirements of the Ledyard Zoning Regulations. This process will allow for a more efficient administration of the refiled application with the anticipation that all relevant issues can be properly aired, discussed and responded to within the statutory time framework.

Since this withdrawal is occurring as a result of circumstances which are beyond the control of the Applicant, the Applicant hereby requests that the Town of Ledyard waive the application fee when the new application is filed; or, in the alternative, rebate to the Applicant the application fee which was paid with the currently pending application being withdrawn.

As you are aware, Gales Ferry Intermodal, LLC also has an application pending before the Ledyard Planning and Zoning Commission for site plan modification and coastal site plan modification with respect to the relocation of the 6,000 square foot industrial building that was approved by the Ledyard Planning and Zoning Commission in 2023. For purposes of clarity, that site plan modification and coastal site plan modification application is not being withdrawn and it is our request that the Ledyard Planning and Zoning Commission administer the same in the normal course of business.

Should you have any questions, please feel free to contact the undersigned.

Very truly yours,  
  
Harry B. Heller

Dear Town Council,

I am incredibly grateful for the recent interest in supporting the minority communities in our town. It has been a challenge for the children of our schools to express themselves as, in a small rural town, it is easier for them to try to “blend in” instead of proudly displaying their cultural differences. Children learn from the community, and our community has recently shown incredible strides in diversity, equity, and inclusion. Thank you to the (previously named) Community Relations Committee and (recently renamed) Diversity, Equity and Inclusion committee. Communities are stronger when the minorities are celebrated and treated as equals. It is difficult for the white heterosexual male majority to understand that minorities need to be lifted up to level the playing field. A person in a position of privilege can certainly feel threatened when they are no longer able to hold onto that previously established generational advantage, and I am truly sorry for those councilors who feel threatened by the upcoming pride month celebrations.

I support CRC/DEI organizing a Pride event because Pride month is a celebration of a historically oppressed community, and we should not be threatened by this.

I think it's important that our town government shows support for the LGBTQIA+ community in hosting events and I appreciate that CRC/DEI is taking steps to do so.

Being gay is not a lifestyle choice, and I do not appreciate those in a position of power stating this falsehood in official town correspondence.

I would like town council and CRC/DEI to commemorate Pride Month by making our LGBTQIA+ communities feel welcome, appreciated, and valued.

Those holding positions of power in our community should remember that they represent everyone in our community. There are clearly growing pains regarding the way in which to celebrate our community, but a healthy dialogue is the way forward. I respect that the town is cognizant of the town budget and the cost of pizza for a community event. Perhaps if the cost of the pizza is too high, there may be people in the community willing to donate funds to show support for Pride Month. I am willing to contribute funds to this and I would like the community to know that I celebrate and honor my LGBTQIA+ neighbors.

Sincerely,  
Adrienne Parad

Mrs. Parad;

Understood, but I wasn't sure how much of the issue you were aware of.

Casual flaunting of procedural requirements, as was displayed by the particular member of council I referred to, can and has lead to much bigger issues (many times legal in nature) for municipalities, so I can't overstate how serious of an issue this is in that manner.

Also, to be clear, tomorrow is just the Community Relations Committee meeting; town council does meet next Wednesday, and I'm positive that this will be a topic of discussion. Please feel free to attend one or both.

Good morning Councilor Brunelle,

I am writing you as you are the chair of the Community Relations C through Facebook last night i was quite surprised to see there is a event happening in June. While a pride pizza party in itself doesn't its hosted by the Community Relations Committee does. I don't ev this or voting on such an action in the committee which is wrong a illegal. This is not good procedural government. Not only was this i community relations committee with no meeting minutes, but no- is paying for all this, and has the finance committee looked at this the full council? If this had been discussed i would have made the government has NO business in social policy or lifestyle choice. O not promote any type of special interest groups. How would the cc wanted the community relations committee to host a straight trad Or a born again bible group? I would think people would have a pr someone chooses to live or identify themselves is none of the gove people who do believe in biblical morals and traditional values wo

June 4, 2024

To: Community Relations Committee For Diversity, Equity & Inclusion, Town of Ledyard

Re: Special Regular Meeting June 5, 2024, Section VII. New Business

Dear Committee Members,

As expressed in my previous letter and email correspondence, I am highly appreciative of the efforts to make our marginalized populations more visible and celebrated in our community. I am, unfortunately, highly concerned about the lack of transparency from Councilors Ryan and Paul. Counselor Ryan repeatedly stated that he is concerned about a procedural technicality. However, when asked about this multiple times in the e-mail thread, he did not address the question of HOW the procedure was violated.

Per the Mission Statement of the Community Relations committee, signed by Counselor Paul and adopted September 21, 2022: "The Community Relations Committee is tasked with being both an advocate and a resource for the community by listening, communicating, and engaging with the community, educating ourselves, standing up to discrimination and racism in all forms. We do this by encouraging dialogue, promoting unity and understanding, and learning from one another as we continue to build a strong community together, making sure no-one is left behind." I do not see how a consensus agreement between the members of the committee to have a pride day celebration violates this, and when asked specifically about which procedures were violated, I received no response or clarification. I only received a repeated statement that procedures were violated without any additional information.

This is certainly concerning, but I am even more concerned about the lack of respect for our LGBTQIA+ community, as none of my concerns documented in the letter were addressed by either counselor. Our community needs to show that we honor, respect, and value all our neighbors. We need to make our community a safe place for minorities and LGBTQIA+ community members to call home. I do not feel that sugar-coating bigotry in the disguise of procedural violations is a good look for our Town Council, and I truly would like this to be addressed on the record by the counselors in question. Should I be granted the opportunity to speak at any meeting, I will be reading my statements.

Sincerely,

Adrienne Parad

**Sent:** Tuesday, June 04, 2024 8:20 PM  
**To:** Town Council Group  
**Subject:** Support for Community Relations Committee Sponsorship of "Pride Pizza Party"

Some people who received this message don't often get email from chrisjelden@gmail.com. [Learn why this is important](#)

Dear members of the Ledyard Town Council,

I am writing today to voice my support for the Community Relations Committee sponsoring the previously planned "Pride Pizza Party." Town sponsorship and support for events like this go a long way in telling those residents who are a part of the LGBTQ+ community that they are welcome here.

As a father of two young daughters, I want them to live in a community where they feel free to be whomever they are without fear of discrimination. I have fallen in love with the Ledyard community over the last eight years we have lived here, and I plan to stay here for a long time. I can only hope my children continue to question not those who are in the LGBTQ+ community but those who would speak down to that community.

In speaking to the role of government, and in this case, the role of the Community Relations Committee, I look to its mission statement for quick guidance regarding its role in this situation. The mission statement states the committee is "tasked with being both an advocate and a resource for the community by listening, communicating, and engaging with the community, educating ourselves, and standing up to discrimination and racism in all forms."

I am not an expert on Pride, but I know enough to understand that it is a celebration of those living within the LGBTQ+ community by members of that community and those who love them. This is done largely in opposition to the long-standing marginalization of that community. By my reading, support of Pride is just the type of thing that the CRC of Ledyard has committed itself to supporting.

Setting aside false equivalence and offensive arguments about who gets an event, I would like to touch on one aspect from within the email threads I noted. This is where I am operating somewhat from a place of ignorance. From the emails, it seems that certain members believe there are certain steps and procedures that were skipped, namely a specific conversation and a vote in a meeting regarding CRC sponsorship of a "Pride Pizza Party."

To me, this does seem like a reasonable enough request that all committee members be able to weigh in on events with the CRC name attached. I am not familiar with the actual written procedures, rules, or historical norms, but just from a cold read of the situation, I can understand that position.

As reasonable as that position is, I also know that the residents of Ledyard voted in November of last year to elect a new slate of Town Council members, the very same ones now trying to ensure Ledyard is a place of acceptance and inclusion by hosting this event. Unless the written rules and procedures dictate that the committee must have unanimous agreement on all events hosted, I hope to see, in an upcoming

meeting, a discussion and vote, if required, regarding the event. I hope members can set aside the apparent animosity as shown in the email threads and work for Ledyard Residents.

Thank you for your time. I am sorry I won't be able to make the meeting scheduled for June 5th, but I look forward to hearing and reading about how the meeting goes.

V/R

Christopher Jelden (Ledyard Resident)

Chairman S. Naomi Rodriguez

May 23, 2024

Mayor Fred Allyn, III  
Town of Ledyard  
741 Colonel Ledyard Highway  
Ledyard, Connecticut 06339

Dear Mayor Allyn:

At its Regular Meeting held on May 22, 2024 the Town Council took the following actions:

- Approved a water rate increase of 5% to become effective on July 1, 2024 as recommended by the WPCA and contained in the water and sewer rate table presented at the WPCA April 23, 2024 Public Hearing; in accordance with Ordinance #400-001 “*An Ordinance Creating a Water Pollution Control Authority for the Town of Ledyard*”.
- Approved two tax refunds in the combined total amount of \$7,321.19 with each exceeding \$2,400.00 in accordance with tax collector departmental procedures.
  - ✓ Kineo Properties LLC \$3,602.19
  - ✓ Messier, Massad, Burdick & Associates \$3,719.00
- Appointed Mr. Peter Diette (U) 15 Hyde Park Drive, Gales Ferry to the Library Commission to complete a two (2) year term ending November 7, 2024 filling a vacancy left by Ms. Gantz.
- Appointed Ms. Beth Ribe (U) 129 Rose Hill Road, Ledyard to the Planning & Zoning Commission as an alternate member, to complete a three (3) year term ending December 31, 2026 filling a vacancy left by Ms. Cobb.
- Appointed Ms. Lauren Hawes (U) 8 Warbler Way, Gales Ferry, to the Ledyard Beautification Committee, to complete a three (3) year term ending October 26, 2026 filling a vacancy left by Ms. Vincent.
- Approved to make the following appointment adjustments to the Cemetery Committee:
  - ✓ Appointed Ms. Martha Reynolds (R) 1684 Center Groton Road, as a Regular Member, to complete a three (3) year term ending April 26, 2026 filling a vacancy left by Ms. Sheila Godino.
  - ✓ Appointed Ms. Vincent Godino (D) 1906 Center Groton Road, Ledyard, as an Alternate Member, to complete a three (3) year term ending April 26, 2025 filling a vacancy left by Ms. Reynolds.

- Appointed Ms. Kristie Gardiner-Lundgren (U) 70 Iron Street, Ledyard, to the Cemetery Committee, as a Regular Member, to complete a three (3) year term ending April 26, 2026 filling a vacancy left by Mr. Godino.
- Appointed Ms. Lauren Hawes (U) 8 Warbler Way, Gales Ferry, to the Parks, Recreation & Senior Citizens Commission, as an Alternate Member, to complete a three (3) year term ending June 28, 2027 filling a vacancy left by Mr. Gallagher.

Please feel free to contact Chairman Rodriguez should you have any questions regarding this meeting.

Respectfully submitted,

Roxanne M. Maher  
Administrative Assistant

Mr. Peter Diette  
15 Hyde Park Drive  
Gales Ferry, Connecticut 06335

Dear Mr. Diette:

CONGRATULATIONS! The Town Council, at its meeting on May 22, 2024 appointed you as a regular member of the Library Commission, to complete a three (3) term ending November 7, 2024 filling a vacancy left by Ms. Gantz.

The Town's Meeting Portal (Granicus-Legistar) will aid you in preparation for the Library Commission meetings by providing materials and supporting documentation, and other reference information. This technology has enabled the town to streamline processes and implement paperless meetings. Each month you will be electronically notified of the Library Commission scheduled meeting. You can access this information by visiting the Town of Ledyard Website at: <https://www.ledyardct.org/> clicking on the "Agendas & Minutes" tab.

It is customary and traditional to be sworn-in by the Town Clerk prior to assuming your duties. Please bring a copy of this letter with you and try to have this accomplished as soon as possible.

Town Hall business hours are Monday through Thursday, 7:30 a.m. to 4:45 p.m.

Thank you for your willingness to serve the Town of Ledyard.

Sincerely,

S. Naomi Rodriguez  
Chairman

Mr. Deondre Bransford  
8 Lynn Drive  
Ledyard, Connecticut 06339

Dear Mr. Bransford:

Thank you for your application to serve on the Parks, Recreation & Senior Citizens Commission. We received two applications to fill one vacancy on the Commission.

Both candidates offered experience, talent and demonstrated their commitment to our community. Although the selection was difficult, another individual was selected at this time.

Vacancies on our town's committees is an active list and volunteers are always needed. I would encourage you to consider possibly serving on another town committee and have enclosed a list of our current vacancies for your review. Also a list of vacancies can be found by visiting <https://www.ledyardct.org/244/Commissions-Committees-Boards>

Please contact Town Council Administrative Assistant Roxanne Maher at (860) 464-3202 or e-mail: [council@ledyardct.org](mailto:council@ledyardct.org) should you like to be considered for another committee.

The involvement of our citizens is of significant value and is instrumental to the success of our community. Your interest in serving our community is appreciated.

Sincerely,

S. Naomi Rodriguez  
Chairman

# TOWN OF LEDYARD

## CONNECTICUT

### TOWN COUNCIL

Chairman S. Naomi Rodriguez

741 Colonel Ledyard Highway  
Ledyard, CT 06339  
(860) 464-3203  
[council@ledyardct.org](mailto:council@ledyardct.org)

May 23, 2024

Ms. Janella Dawson  
10 Lincoln Drive  
Gales Ferry, Connecticut 06335

Dear Ms. Dawson:

Thank you for your application to serve on the Library Commission. We received four applications to fill one vacancy on the Commission.

All of the candidates offered an extensive educational background, great experience, talent and demonstrated their commitment to our community. Although the selection was difficult, another individual was selected at this time.

Vacancies on our town's committees is an active list and volunteers are always needed. I would encourage you to consider possibly serving on another town committee and have enclosed a list of our current vacancies for your review. Also a list of vacancies can be found by visiting <https://www.ledyardct.org/244/Commissions-Committees-Boards>

Please contact Town Council Administrative Assistant Roxanne Maher at (860) 464-3202 or e-mail: [council@ledyardct.org](mailto:council@ledyardct.org) should you like to be considered for another committee.

The involvement of our citizens is of significant value and is instrumental to the success of our community. Your interest in serving our community is appreciated.

Sincerely,

S. Naomi Rodriguez  
Chairman

Town of Ledyard

## Roxanne Maher

---

**From:** Timothy Ryan  
**Sent:** Thursday, May 30, 2024 7:52 AM  
**To:** Gary Paul  
**Cc:** April Brunelle; Town Council Group; Fred Allyn, III; Roxanne Maher  
**Subject:** Re: Pizza Party

Gary;

I would go further; this event, however altruistic the motive might be, simply cannot be “hosted” or “sponsored” by the community relations committee if there was never a vote on the matter. Simply “telling the committee to be prepared for future events” is not a basis for one person to unilaterally make a decision on what a committee of three does or does not support, host or sponsor.

I am deeply concerned by this and other recent lapses in procedural judgement that have been made by members of this council. We are, as council, supposed to be the steady hand that leads our town, and not flaunting established procedures for any special interest matter or agenda.

-Tim

On May 29, 2024, at 5:18 PM, Gary Paul <gpaul@ledyardct.org> wrote:

Councilor Brunelle,

A few corrections, Black History Month was indeed discussed in our meetings and a consensus was reached among ALL committee members and that is all on record, however Black History Month contest was NOT hosted by the community relations committee but Councilor Rodriguez put in all the work and did it herself with input supplied by the committee as a committee. We agreed as a committee to allow the contest winners to have they're awards given and work recognized at a council meeting. In fact if you go back to the minuets you'll find i have echoed my thoughts on how all those events should be done by private entities with our role only being supportive and again all that is in the minuets and was agreed upon by the whole committee. Speaking for the entire committee is wrong when no consensus or meeting minutes exist on any event. Telling committee members to expect events in the future doesn't cover the ground or meet the bar. It MUST be on an agenda and discussed and made public. To imply we have some moral obligation is also ridiculous, that is not the governments role. Special interest groups have NO place in government period. I'm not arguing to not allowing an event or even a parade but simply that its not the committee or the councils job to it. The fact is that it is a lifestyle choice just like the fact that i CHOOSE to be a straight, married believer of the gospel man. Where is my event then? That is where you get into legal trouble, when denying my event because i happen to be straight and a christian. That

is what can open the town to lawsuits. I prefer to keep our government out of those events and support those groups personally if i so choose and if you feel morally obligated to host an event then by all means do so, personally. But there is a process for things in government and again i would challenge the legality of what is currently being done with even a meeting, vote or consensus on the issue. I again respectfully ask that the event either be canceled OR leave the committee name off of it and host it yourself.

Gary Paul

**Subject:** Re: Pizza Party

Hello Councilor Paul,

Thank you writing to me and expressing your concerns. I appreciate the time you took to do so. I am however a little confused at why you thought this event had to be voted on when all the previous ones were not. Including, both Black History Events & the Women's History Event. Only now is this concern brought up with the heavy weighted overtones of it being illegal. On the contrary I would like to submit that cancelling or refusing to host such an event would be putting our town into legal muddy waters. Cities (and towns) are required to grant access to the same city resources to LGBTQ+ that are made available to other groups hosting similar public events.

And since a citizen did come and speak to us at our April Meeting and specifically ask for a pride event it is in our moral and public obligation to our town to see it done. It's a constitutional right to equal protection and thus an equal constitutional right to hold a Pride Event. In 2008 a Mayer Larry Langford in Alabama tried to cancel a pride parade based on his religious beliefs and had to settle out of court paying \$40,000 and had to establish nondiscriminatory regulations.

In the January 17<sup>th</sup> Community Relations Committee it is clear in the minutes I told the committee to be prepared for future events throughout the year for different groups in our community. This is a very important group in our community. And just for the record it is not a lifestyle choice. A straight man cannot simply turn off his attraction toward females and call it a day. It doesn't work that way.

As for the money there is no reason to jump to conclusions or panic. I am personally paying for the balloons, DJ and possible face painting. Another is paying for the Pizza and Soda. The permit for the use of the town area has already been accepted and on record.

I hope to see everyone attend and to help continue to support our Community.

Sincerely,

April Brunelle

**Cc:** Town Council Group <TownCouncil@ledyardct.org>; Fred Allyn, III <mayor@ledyardct.org>; Roxanne Maher <council@ledyardct.org>

**Subject:** Pizza Party

Good morning Councilor Brunelle,

I am writing you as you are the chair of the Community Relations Committee. Scrolling through Facebook last night i was quite surprised to see there is a Pride month Pizza Party event happening in June. While a pride pizza party in itself doesn't bother me, the fact that its hosted by the Community Relations Committee does. I don't ever remember discussing this or voting on such an action in the committee which is wrong and could be defined as illegal. This is not good procedural government. Not only was this not discussed with the community relations committee with no meeting minutes, but no-one knows who is paying for all this, and has the finance committee looked at this?? is it going to be put to the full council? If this had been discussed i would have made the argument that government has NO business in social policy or lifestyle choice. Our job is to govern and not promote any type of special interest groups. How would the council or residents feel if i wanted the community relations committee to host a straight traditional marriage group? Or a born again bible group? I would think people would have a problem with that. How someone chooses to live or identify themselves is none of the governments business and people who do believe in biblical morals and traditional values would have the same right to argue we do something for them. I have many LGBT friends and family who i love very dearly who would support my argument. But regardless of my argument, the fact that this was done behind the back of the rest of the committee and the council doesn't only make it ethically wrong but possibly illegal as well and ask that the event be canceled and the promotion be taken down off of social media or better yet keep the event but take off the community relations committees name as host and let someone personally take the lead and if councilors would like to go on there own merit then great, but this is most certainly not a council backed event. Lets please stick to procedure and our roles in government.

Sincerely, Gary Paul

- Real Estate 5-year full revaluation bid opening 5/30. 2 bids, need bid waiver and gap funding (coming to Finance) Low bid was \$257,000. Staff projected \$180,000
- FEMA Evaluated nuclear safety drill 6/4. 4 FEMA Evaluators present. Ledyard graded EXCELLENT on drill by FEMA evaluators. Thank you EMD Jim Mann, Fire Chief Jon Mann, GFFC member Ted Day for outstanding work.
- Received interim payment for school projects. \$7.8M with approx. \$2.2M due as final.
- Drew race lanes for the 157<sup>th</sup> Yale-Harvard Regatta in New London 6/6, the nations oldest collegiate sporting event.
- Attended Chamber Legislative Breakfast 6/11 7:30AM.
- We changed our bonding plan to delay until next Spring, saving the towns thousands of dollars in bond issuance. We will use our own funds to float the needs until Spring.
- EPPI (Emergency Planning and Preparedness Drill) Drill today. Simulation was a state-wide cyber-attack on elections with physical attacks on polling places. Drill was very long but included some excellent issues to be prepared for.

## Unofficial Flags on Town and School Property

By: Taylorann Vibert, Graduate Fellow  
May 7, 2024 | 2024-R-0078

### Issue

Summarize the law governing unofficial flags on town property and school property in Connecticut.

The Office of Legislative Research is not authorized to provide legal opinions and this report should not be considered one.

### Summary

Although the federal government provides guidance on how to fly unofficial flags in relation to the U.S. flag, both federal and state law are silent on the issue of unofficial flags on town property. This issue is primarily governed by town policies and municipal ordinances. In Connecticut, these policies and ordinances typically either (1) prohibit all unofficial flags but provide exceptions for certain military and departmental flags or (2) allow unofficial flags on a case-by-case basis upon approval by the town council or board of selectmen.

Town ordinances may include disclaimers that the flags are not intended to serve as a forum for public expression, but rather as a non-public forum to display government speech. A 2022 U.S. Supreme Court case, *Shurtleff v. City of Boston*, discussed below, held that a municipality may raise one unofficial flag but decline to raise another flag if it is done as an expression of governmental speech, rather than as a restriction on private speech in a public forum.

Some towns have policies and ordinances that are specific to flags flown on school property. Further, in light of the decision in *Shurtleff*, the Connecticut Association of Boards of Education (CABE) [advises boards of education to adopt policies](#) on unofficial flags flown on school property and provides model policies and procedures districts may consider (beginning on page 5).

## Flags on Town Property Generally

Neither federal nor state law restricts whether or which flags may be flown in addition to the U.S. flag. The U.S. Flag Code provides guidance on how additional flags should be displayed with the U.S. flag but does not restrict other flags from being flown with it ([4 U.S.C. §§ 4-10](#)). For an overview of federal flag law, see this [Congressional Research Service report](#).

The issue of whether and which unofficial flags may be flown on town property is primarily governed by municipal law, typically through policies or ordinances.

### *Examples of Towns' Flag Policies and Ordinances*

***Unofficial Flags Generally Prohibited.*** Several towns, including Berlin, Southington, and Tolland, among others, have adopted policies or ordinances that generally prohibit unofficial flags with certain exceptions.

[Berlin's policy](#) generally prohibits flying unofficial flags but provides exceptions for (1) certain military flags (e.g., POW/MIA flags, U.S. armed forces, military units) on property used as a veteran's memorial, at the discretion of the town's veterans committee; (2) the official department flag and, with approval from the town council, flags honoring first responders at police and fire departments; and (3) Thin Blue Line, Thin Red Line, and FDNY/MIA 9/11 flags at fire departments. It specifies flagpoles are not intended to serve as a forum for free expression.

[Southington's ordinance](#) prohibits the flying of unofficial flags but makes exceptions for POW/MIA flags, gives the town's veterans committee discretion to raise certain military flags on town property, and also allows the fire and police departments and schools to fly their official flags. It specifies that flagpoles are not intended to serve as a forum for free expression.

[Tolland's policy](#) prohibits unofficial flags except (1) certain military flags at a veteran's memorial and at the discretion of the veteran's committee; (2) service, remembrance, or public safety department flags at memorial parks; and (3) the public safety department flag at any of their stations or offices.

***Unofficial Flags Generally Allowed.*** Other towns, including Easton, New Britain, and South Windsor, among others, have policies or ordinances that generally allow unofficial flags but impose certain restrictions or requirements.

[Manchester's policy](#) (beginning on page 19) allows unofficial (i.e., commemorative and organizational) flags on a designated flagpole upon request to and approval by the board of

directors. The board will not consider certain categories of flags (e.g., those of a particular religion, political party, business, or those that enable violence, discrimination, prejudice, or racism) and the policy does not apply to board of education-controlled properties. The policy specifies that flagpoles are not intended to serve as a forum for free expression.

New Britain's policy allows unofficial flags to be flown outside of city hall upon request but the city will not fly flags it determines are inappropriate, offensive, discriminatory, or controversial.

An ordinance in South Windsor allows unofficial (i.e., commemorative and organizational) flags on one designated flagpole upon request to, and supermajority plus one approval by, the town council. The council will not consider certain categories of flags (e.g., those of a particular religion, political party, or business, or those that enable violence, discrimination, prejudice, or racism). The ordinance specifies that flagpoles are not intended to serve as a forum for free expression.

### ***Government Speech and Private Speech***

While the law does not restrict towns from flying unofficial flags, it may prohibit towns from rejecting flags from being flown on town property if the town flagpole is used for private speech, rather than government speech.

The U.S. Supreme Court established that a government entity is entitled to say what it wishes and to select the views it wants to express (*Rosenberger v. Rector & Visitors of Univ. of Va.*, 515 U.S. 819, 829 (1995)). A central issue in this “government speech doctrine” is identifying when speech is government speech versus private speech. In *Shurtleff v. City of Boston*, the Supreme Court recently distinguished between the two in the context of a municipal flag policy (*Shurtleff v. City of Boston*, 142 S. Ct. 55 (2021)).

In *Shurtleff*, the Court held that the city violated the First Amendment by refusing an individual’s request to fly what he described as a Christian flag when it had routinely approved applications to fly other unofficial flags on one of the three flagpoles outside city hall. The determination of whether the flag-raising was government speech was a fact-specific inquiry, focusing on whether the municipality intended to convey the flags’ messages as its own. The Court classified the third-party flag raising on Boston’s flagpole as private speech because the city did not have any meaningful involvement in the selection of the flags or the messages those flags would communicate. Since the flag-raising was private speech, denying the request to fly this flag violated the Free Speech Clause of the First Amendment as it “constitutes impermissible viewpoint discrimination.”

Generally, under the *Shurtleff* decision, a government entity may continue to use a flagpole to convey the government’s message and display the flags that the governing body selects. If a government’s flag-raising program constitutes government speech, then they may refuse to fly flagpoles based on viewpoint. However, if a government entity wishes to use their flagpole as a forum for private expression and allow private organizations and individuals to display flags, they have limited discretion to reject flags and cannot do so based on the content of the flag (i.e., the municipality may not be able to reject flags with controversial messaging). For more information about the decision in *Shurtleff v. City of Boston*, see OLR Report [2022-R-0241](#).

In response to the decision in *Shurtleff*, some towns are changing their flag policies. For example, in 2022, Enfield adopted [resolution 6230](#) (beginning on page 9) to fly the rainbow flag for the month of June “to inspire equity, create alliances, [and] celebrate diversity.” However, in January 2024, the Town Council adopted [resolution 6841](#) (beginning on page 16) which prohibits unofficial flags and limits the flags flown on town property to the American flag, the State of Connecticut flag, the MIA/POW flag, and the flags of the various military services of the United States.

## Flags on School Property

### *Federal and State Law*

State law requires that each local and regional board of education provide a United States flag for each schoolroom and requires the flags to be displayed in schoolrooms during each day school is in session ([CGS § 10-230](#)). A similar requirement exists in the U.S. Flag Code, which specifies that the U.S. flag should be displayed at every public institution, polling places on election days, and in schoolhouses during school days, among other places ([4 U.S.C. § 6\(e\)–\(g\)](#)).

### *Municipal Law*

Town policies and ordinances may or may not apply to flags specifically on school buildings or property. For example, policies that regulate flagpoles “owned or maintained by the town” may apply to the extent flagpoles on school property fit within that definition.

Towns may also have a school-specific ordinance or resolution. For example, Southington’s [ordinance](#) specifies that any town property serving as an official school may only fly (1) the official school flag or (2) on the interior of school buildings, the official country flag of other sovereign nations with the approval of the school’s principal. As another example, in 2022, Stonington’s board of education adopted a resolution allowing teachers to display LGBTQ+ rainbow flags (see [pages 1-2](#)).

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to authorize the purchase of a used SCBA Cascade filling station from the Town of Preston in the amount of \$5,000 from Account # 0210-20-2050-20501-57300 (LFD CNR New Equipment).

### **Background:**

The unit will be installed at Ledyard Fire Co by public works at the expense of Ledyard Fire Co. LFD has previously submitted AFG Grant requests for a new cascade / compressor unit. The purchase of this unit will solve the short-term issue of filling SCBA cylinders from Rescue 17 and filling Rescue 17's system at the Gales Ferry Station. Upon retirement of Rescue 17, this cascade will prevent the firefighters from having to transport empty cylinders to Gales Ferry for recharge. The acquisition will allow career staffing and volunteers to remain in their primary response district and lessen the occurrences of the Ledyard apparatus travelling to District 2 for extended periods of time.

### **Department Comment/Recommendation:**

This purchase may also strengthen the grant application background for future AFG applications, as the grant will then be for replacement of an older unit and score higher on the review matrix. An estimated \$2000 of installation and electrical work will need to also be completed to accept the unit.

### **Finance Director Comment/Recommendation:**

As of May 29, 2024, Account #21020501-57300 has a remaining unencumbered balance of \$54,900.87.

### **Mayor Comment/Recommendation:**

## Town of Preston Fire Department

---

To whom it may concern,

The Town of Preston is currently selling a used Bauher Cascade system at a price of \$5000. The system has been tested annually by Municipal Emergency Services (MES) and passed all testing requirements. The system is fully operational and is used weekly.

We are replacing the system for a larger one to fulfill our needs.

Feel free to contact me with any questions.

*Keith Wucik*

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to appropriate and transfer \$129,698 from Account #10188210-59300 (Transferred Funds) to Account #2250101-49002 (BOE CNR Transfers In);

In addition, appropriate \$129,698 to Account #22570101-58261 (BOE CNR Ag-Science).

### **Background:**

However, the town received \$979,698 which was \$129,698 more than the budgeted amount.

The Board of Education is requesting that the overage of \$129,698 that was received be transferred from the General Fund to their ASTE Capital Account to be used to purchase capital items for the Agri-Science Program.

Administrative Offices

May 28, 2024

Ms. Naomi Rodriguez Chair,  
Ledyard Town Council  
Town of Ledyard  
741 Colonel Ledyard Highway  
Ledyard, CT 06339

Dear Chairwoman Rodriguez:

The Ledyard Board of Education (BOE) has reviewed and approved the following request and official communication to the Ledyard Town Council (TC). The BOE respectfully requests your review and subsequent action.

1. Transfer the remaining funds from the current Fiscal Year ASTE Revenue (\$129,698) to BOE ASTE CNR Account #22570101 58261.

Should you or any of the Town Councilors have any questions, please let me know. The Board of Education Leadership and Superintendent are available as needed.

Sincerely,

  
Jason S. Hartling  
Superintendent of Schools

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to transfer tax accounts in the amount of \$68,748.54 listed in the report dated May 1, 2024, to the "Suspense File".

In addition, authorize the transfer of non-refundable over payments in the amount of \$197.41 to the general fund listed in the report dated May 21, 2024.

### **Background:**

As part of year-end housekeeping the Tax Collector presents a list of accounts classified as "*uncollectable*" to be transferred to the "*suspense list*".

This action would remove the taxes from an active status to a non-active status. However, the accounts that are being transferred would remain in the tax roll and would be flagged as a "Suspense Item".

Except for bankruptcy or deceased, the remaining bills would be sent to a collection agency and would remain on the tax rolls for fifteen years from their due date.

As a comparison last year (FY 22/23) the Suspense File was \$60,136.02.

### Overpayments:

Per state statute sec.12-129 and Town of Ledyard Ordinance #200-002 over payments under \$5.00 shall be transferred to the general fund for the Fiscal Year 2023/2024 in the amount of \$197.41.

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to approve Standing Bid Waivers as follows: Vendors included in the Town of Ledyard Standing Bid Waiver List for FY 2025, Capital Region Purchasing Council Bids, State of Connecticut bids, other states' bids, purchasing cooperatives (i.e. Sourcewell) , and federal government bids.

### **Background:**

In accordance with Ordinance #200-001 entitled “*An Ordinance for Purchasing*” the purchasing thresholds are as follows: (1) For purchases of goods or services between \$5,000 - \$14,999 the Town shall solicit a minimum of three quotes; and (2) For purchases over \$15,000, a minimum of three (3) proposals are required through a competitive bid process. In addition, annually the Town Council approves a “*Standing Bid Waiver List*” for unique vendors, lowest possible prices obtainable, sole vendors, and fewer than three bidder situations, noting that the Town’s Purchasing Ordinance requires them to request competitive bids for items in excess of \$15,000.

## FINANCIAL BUSINESS REQUEST (FBR)

### **Motion/Request:**

MOTION to set Fiscal Year 2024/2025 a Real Estate and Personal Property Mil Rate of 35.21 and a Motor Vehicle Mil Rate of 32.46.

### **Background:**

At the May 21, 2024 Referendum the townspeople approved a Fiscal Year 2024/2025 Budget in the amount of: \$67,430,573 (GG \$29,060,750; and BOE \$38,369,823) represented a 0.65 mil increase.

In accordance with the Town Charter, Chapter VII; Section 6 "*On or before the first day of July the Town Council shall fix the tax mils fourth Monday in June.*"

For the Fiscal Year 2024/2025 the State's Car Tax Cap of 32.46 mils has remained the same as the previous year. the Car Tax Cap Because the Car Tax Cap would result in a loss of tax revenue for several towns, the Legislature has put \$100 million in the State's Budget to offset all the Municipal car tax losses.

### **Meeting Action Detail:**

### **Town Council Meeting 06/14/2023:**

**File #:** [23-1676](#) Version: 1

**Type:** Financial Business Request (FBR)

**Title:** MOTION to set a Fiscal Year 2023/2024 a Real Estate and Personal Property Mil Rate of 34.56 and a Motor Vehicle Mil Rate of 32.46.

**Moved:** Ryan      **Seconded:** Ingalls

**Action:** Approved and so declared

**Minute Note:**

Moved by Councilor Saums, seconded by Councilor Ryan

Discussion: Councilor Saums stated at the May 16, 2023 Referendum the townspeople approved a Fiscal Year 2023/2024 Budget in the amount of: \$64,540,940 (GG \$28,632,572; and BOE \$35,908,368) which represented a 0.75 mil increase over the current year. He stated the 34.56 Mil Rate was as presented during the Annual Town Meeting Budget Presentation to the townspeople.

Councilor Saums went on to explain beginning with the Fiscal Year 2022/2023 the State implemented a Car Tax Cap. He stated in accordance with State Statute 12-71e (a)(3) the Car Tax Cap has been set at 32.46 mills; and he explained the State would provide funding to the Municipalities whose Mil Rate exceed 32.4 mills to offset loss of car taxes to the Municipalities due to the state's cap.

**Finance Committee Meeting 06/07/2023:**

**File #:**                    [23-1676](#) Version: 1

**Type:**                    Financial Business Request (FBR)

**Title:** MOTION to set a Fiscal Year 2023/2024 a Real Estate and Personal Property Mil Rate of 34.56 and a Motor Vehicle Mil Rate of 32.46.

**Moved:** Ryan      **Seconded:** Ingalls

**Action:** Recommend to Approve

**Minute Note:**

Moved by Councilor Ryan, seconded by Councilor Ingalls

Discussion: Councilor Saums stated at the May 16, 2023 Referendum the townspeople approved a Fiscal Year 2023/2024 Budget in the amount of: \$64,540,940 (GG \$28,632,572; and BOE \$35,908,368) which represented a 0.75 mil increase over the current year. He stated the 34.56 Mil Rate was as presented during the Annual Town Meeting Budget Presentation to the townspeople.

Councilor Saums went on to explain beginning with the Fiscal Year 2022/2023 the State implemented a Car Tax Cap. He stated in accordance with State Statute 12-71e (a)(3) the Car Tax Cap has been set at 32.46 mills; and he explained the State would provide funding to the Municipalities whose Mil Rate exceed 32.4 mills to offset loss of car taxes to the Municipalities due to the State's Cap.

Finance Director Matthew Bonin provided an overview of the State Funding to Ledyard provided by Connecticut Conference of Municipalities (CCM) noting that based on this Report the Town would be receiving about \$278,224 more in State funding over what was received in the current year. The Finance Committee reviewed the projected State Revenue to Ledyard and agreed not change the proposed Mil Rate that was presented at the May 15, 2023 Annual Town Meeting, noting that that past history has proven that the State Revenue received does not always total up to the amount budgeted by the legislature.
