
Name: Land Use/Planning/Public Works Committee

Type: Committee

Description: The role of the Town Council's sub-committees is to review, investigate and vet matters pertaining to the operation, administration and business of the Town; and to forward their findings/recommendations to the Town Council for action. The Land Use/Planning/Public Works Committee addresses items pertaining to land use matters such as town owned property, leases, Ordinances, Resolutions, Fee Schedules, along with other items as assigned by the Town Council Chairman. The Land Use/Planning/Public Works Committee meets at 6:00 p.m. on the first Monday of each month in the Town Hall Annex. These meetings are open to the public and residents are encouraged to attend.
