Title: Ledyard Beautification Committee Report

Minute Note:

Councilor Ingalls stated the Beautification Committee was getting their feet under them, noting that they had a lot of new members. She stated that she spoke with Committee Chairman Jen Eastbourne about the possibility for the Committee to head up the organization of the Roadside Cleanup that would partner with non-profit organizations. She noted that the Finance Committee was working to consider options to use the funding the town received from the Nip Bottle Surcharge (Public Act No.21-58 "*An Act Concerning Solid Waste Management*" in accordance with "*Resolution Regarding Revenues Received from Beverage Container Surcharges*" adopted on June 8, 2022. (Nip Bottles) and to reward non-profits for helping with the initiative. She stated the Beautification Committee was willing to participate in the Roadside Cleanup project.

Councilor Rodriguez stated that she was aware of two residents who were interested in serving on the Beautification Committee and that she would forward their names to the Republican Nominating Committee Chairman Mike France to submit their appointment applications. She also noted that the Ledyard Garden Club donated \$100.00 to the Beautification Committee, which was very generous.
