Action: Approved and so Declared

Administration Committee Meeting 11/09//2022

File #: [22677](#) Version: 1

Type: Job Description

Title: MOTION to approve a proposed updated Maintenance Foreman job description as contained in the draft dated July 7, 2022.

Mover: McGrattan Second: Irwin

Action: Recommend to Approve

Minute Note:

Moved by Councilor McGrattan, seconded by Councilor Irwin

Discussion: Councilor Irwin noted that the Mechanic Job Description was being updated to reflect the current duties, responsibilities, and certifications required for the position.

Councilor McGrattan noted the skills and education requirements and she questioned whether the town was going to be able to find candidates who have the needed requirements; or whether the Public Works Department had anyone qualified on staff that could fill the position. She also questioned what the following language in the *Qualifications Profile* section meant: “*Operate equipment in lower classification*”.

Administrator of Human Resources Don Steinhoff stated they currently did not have anyone on staff with the required certifications that could fill the position. However, he stated that Public Works Director Steve Masalin has assured him that it would not be a problem to find candidates who would meet the requirements of the job. He went on to explain the language contained in the *Qualifications Profile* section was because they were also looking for a person who would also be able to run the mower and other equipment, so if needed they could be assigned to other positions.

VOTE: 2 - 0 Approved and so declared

Action: Recommend to Approve
