Title: MOTION recommend the Town Council to approve a proposed updated Maintenance Foreman job description as contained in the draft dated July 7, 2022.

Mover: McGrattan                      Second: Irwin

Action: Recommend to Approve

**Minute Note:**

Moved by Councilor Irwin, seconded by Councilor McGrattan

Discussion: Councilor McGrattan questioned whether the Maintenance Forman only supervised the Mechanic or whether they also did mechanic work.

Administrator of Human Resources Don Steinhoff explained the Maintenance Forman position was the head mechanic and that they also worked as a mechanic; however, he noted that the title of the position was "Maintenance Forman". He stated in addition to mechanic work that the Maintenance Forman would also handle some administration work related to sending a vehicle or piece of equipment out to a vendor for repair work, when required.

Mr. Steinhoff stated he would be coming back to the Administration Committee in December to present more job descriptions.
