### RESOLUITON

#### Motion/Request:

MOTION to adopt the proposed “*Resolution Adopting The Hazard Mitigation And Climate Adaptation Plan Update, 2023-2028*” as presented in the draft dated August 2, 2023.

#### Background:

SCCOG Hazard Mitigation and Climate Adaptation Five-Year Plan was recently approved by FEMA.

This Plan was developed with input from Southeastern Connecticut Council of Government Member Municipalities along with Consultant, Resilient Land & Water, LLC.

This is the fourth iteration of this Plan for Southeastern Connecticut.

The adoption of the Plan will enable SCCOG Member Municipalities to apply for and receive “Pre-disaster” funds from FEMA, from the following programs:

- Hazard Mitigation Grant Program
- Building Resilient Infrastructure and Communities
- Flood Mitigation Assistance

The Plan should also act as a guide for planning and funding for other projects either undertaken with municipal funds or other grants. Most recently, there have been many other grant opportunities for Resilience/Hazard Mitigation Projects.

To finalize this effort, Municipalities must adopt the Resolution as provided.

WHEREAS, the Ledyard Town Council approved the previous versions of the Hazard Mitigation Plan in 2005, 2012, and 2018; and

WHEREAS, Southeastern Connecticut Council of Governments, of whom the Town of Ledyard is a member, has determined that climate change is affecting the frequency and severity of some hazards and therefore elected to expand the Hazard Mitigation Plan Update to become a Hazard Mitigation and Climate Adaptation Plan Update; and

WHEREAS, the Plan specifically addresses hazard mitigation and climate adaptation strategies and Plan maintenance procedures for the Town of Ledyard; and

WHEREAS, Southeastern Connecticut Council of Governments has developed and received conditional approval from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation and Climate Adaptation Plan Update under the requirements of 44 CFR 201.6; and
