For the Fiscal Year 2024/2025 the State’s Car Tax Cap of 32.46 mils has remained the same as the previous year. the Car Tax Cap Because the Car Tax Cap would result in a loss of tax revenue for several towns, the Legislature has put \$100 million in the State’s Budget to offset all the Municipal car tax losses.

Finance Director Matthew Bonin provided an overview of the State Funding to Ledyard provided by Connecticut Conference of Municipalities (CCM) noting that based on this Report the Town would be receiving about \$278,224 more in State funding over what was received in the current year. The Finance Committee reviewed the projected State Revenue to Ledyard and agreed not change the proposed Mil Rate that was presented at the May 15, 2023 Annual Town Meeting, noting that that past history has proven that the State Revenue received does not always total up to the amount budgeted by the legislature.
