### AGENDA REQUEST GENERAL DISCUSSION ITEM

**Subject:**

Ledyard Center Trail and Sewer Line Project status proceeding to a spring construction start continued.

**Background:**

\

From the July 25, 2023 meeting:

The WPCA has received no word on when the multi-modal trail and sewer line extension can proceed, but Steve Masalin, Public Works Director reported that he believes SECOG has completed its approval process. DOT has another turn at it from a funding standpoint, after which it will be ready to bid.
