Legislation Text

File #: 23-2296, **Version:** 10

AGENDA REQUEST GENERAL DISCUSSION ITEM

Subject:

Review of Trail/Sewer line continued.

Background:

From the July 23, 2024, meeting:

Chairman Lynch said the sewer project will be over budget because \$200,000.00 worth of back fill will need to be purchased for trenches that are 6.5 feet out and 4 feet down. A change control will need to be completed.

Department Comment/Recommendation:
