RE: Applications of Gales Ferry Intermodal, LLC
Application Nos.: PZ23-4 SUP (Special Permit)
PZ23-05 CAM (Coastal Site Plan Review)

Dear Mr. Capon:

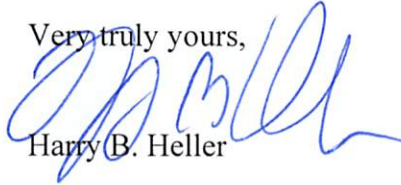

Gales Ferry Intermodal, LLC, the Applicant with respect to the above referenced application hereby grants a thirty-five (35) day extension of the time period within which the Ledyard Planning and Zoning Commission must conclude its public hearing with respect to the above referenced special permit application and coastal site plan review application with respect to property located 1761 Route 12, Gales Ferry, Connecticut. The Applicant's representatives received review comments from the Ledge Light Health District on May 10, 2023 and from your Commission's planner on this date at 9:30 a.m.

Due to the extent and complexity of the issues alleged in the review comments, it is impossible for the Applicant to prepare cogent responses for presentation at this evening's continued public hearings. We therefore hereby request that these matters be continued to the June 8, 2023 meeting of the Ledyard Planning and Zoning Commission, at which time we will present our responses. In light of the above, you are hereby advised that the Applicant plans on making no presentation at this evenings continued public hearing.
