Why are you interested in serving on a board or commission?

Believe in Civic duty. Have been involved in volunteering all of my adult/professional life and even more so since professionally retired. Volunteered my professional services as a Licensed social worker for Hospice and American Cancer Society counseling patients and running support groups. When my husband was stationed in Guam and I was employed in the mental health system I organized and established a resettlement program for displaced Vietnam families who remained on Guam I have multiple skills and abilities that I can contribute to the Town of Ledyard where our family have lived for over 40 years.

Community Involvement

Currently President Tri Town Trail Association. Have assisted the Planning Dept in the grant writing of two DEEP Grants. Have met and interacted with multiple Town Commissions in obtaining permits for the Trail development. Served five years on Tri Town Trail Committee (town Appointment) dissolved when tasks completed. Now interested in the preservation of the Spicer homestead ruins. Many years ago I was employed by Town as first social worker under Mayor Al Clark, established the Social Service Board and subsequently assisted in the establishment of the Town's Youth Services.
