Education & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

Town boards and commissions are vital to every community, and it is important to me as a resident of the town to ensure our community has the support it needs to flourish.

Community Involvement

Having only recently moved to Ledyard, I have only had a chance to volunteer once to assist with an event for the local animal control, but I am looking for more opportunities to be involved.

Educational Background

I received my B.A. in American Studies from the University of Connecticut but primarily attended the Avery Point campus in Groton. I received my M.A. in History and Archaeology from the University of Rhode Island in 2020. My education has allowed me a unique perspective on American history, politics, and human behavior that I feel can be applied in a variety of ways on a town committee.
