**Re: Retirement Plan for Full-Time Employees of the Town of Ledyard – Calculation for Carol A. Paterson**

Dear Christine:

As requested, we have prepared the attached Benefit Calculation Worksheet for Carol Paterson for a July 1, 2026, normal retirement date. Based on the salary provided for the period ending December 31st, 2015, we've calculated that Ms. Paterson is eligible to receive a monthly retirement benefit of \$704.89 as of July 1, 2026, payable in the normal form of a Modified Cash Refund Annuity, and \$636.52 if she elects a 50% Joint and Survivor annuity, based on her service and earnings through this retirement date. In addition, Ms. Paterson's employee contributions with and without interest will be \$41,401.37 and \$20,161.22, respectively, as of that same date. The non-taxable portion of the monthly benefit will be \$77.54 for 260 months if she elects any of the available payment options.

The calculation is based upon a 1.5% multiplier but limited to 50% of the participant's three-year average salary. These are the current plan provisions in effect for Educational Secretaries. Our calculation of the referenced pension benefit is based on the service, compensation and other relevant information provided to us by the Town of Ledyard. USI Consulting Group has not independently confirmed the accuracy or completeness of such information.

Please forward a copy of completed forms to us for our records. If you have any questions regarding this calculation, please do not hesitate to contact me.

Sincerely,  
USI CONSULTING GROUP

**IMPORTANT NOTICE**

The retirement benefit to which you are entitled is stated in the Plan's documents. This retirement benefit illustration has been prepared based on the current understanding of the Plan's provisions as in effect on the date of preparation of the calculation, and on personnel and employment data available on that date. To the extent your benefit differs from this illustration, the terms of the Plan control. If the understanding of the Plan's provisions or this data should prove to be incorrect, or if the calculation is for any reason erroneous, your Plan benefit will be adjusted retroactively to an amount which reflects the correct Plan provisions and data.
