Town of Ledyard  
741 Colonel Ledyard Highway, Ledyard, CT 06339

**RE: IWWC#25-5SITE - 19, 29 & 39 Military Highway**

Dear Chairman DeBrodt and Ms. Burdick:

Please be advised that our firm is assisting C.R. Klewin LLC with respect to its Permit Application for Wastewater Discharges from Subsurface Sewage Treatment and Disposal Systems for the proposed multi-family development at 19, 29 & 39 Military Highway. We are writing to provide an update on the status of the aforementioned application.

On June 3, 2025, we received written comments from the Connecticut Department of Energy and Environmental Protection (CT DEEP) regarding the application. Our team is actively working to address the comments provided and to incorporate appropriate revisions into the project's plans.

As part of this process, we will be revising the application to reflect the updated unit count of 278 residential units. We anticipate resubmitting the full application package shortly for CT DEEP's continued review.

Thank you for your time and attention to this matter. Please do not hesitate to reach out if additional information or clarification is needed.

Sincerely,

Richard Ross, P.E.

VP of Engineering
