#### Zoning Violation Activity Report: 2/12/26-3/12/26

##### ➤ New Cases:

- **67 Gallup Hill Rd:** Complaint submitted by previous complainant for continuing of operation in recent weeks of possible landscape business. Will contact owner directly to ensure compliance other wise issuance of Notice of Violation with Intent to Cite will be next steps for enforcement.

##### ➤ Ongoing/old Cases:

- **33 Fanning Rd:** Previous blight and zoning case from 2024 with an unpermitted construction of shed. A drive by inspection on 12/11/25 showed a door and a furnace appears to have been installed and looks like a dwelling unit with a vehicle parked on the side of the road. **RVC pending.**

- **2 Martys Way:** Observed unpermitted chicken coop in rear of home. RVC pending.
- **26 Martys Way:** Originally obtained approved permit for shed. After recent inspection for a different property, observed shed that does not match approved site plan, and it may be in the side yard setback. Will have to reach out to owner. If not in compliance, formal enforcement pending.
- **29 Martys Way:** Rooster on property, not permitted and unpermitted chicken coop. RVC pending.
- **13 Pheasant Run Dr.:** Complaint received on 12/2/25 for goats being housed in a shed on a small lot in the subdivision. According to ZR Section 8.5.1 there is not enough land to house 4 small/medium animals. Photo evidence provided. Drive by inspection conducted on 1/23/26. **RVC sent 3/5/26 waiting for owner contact.**
- **28 Devonshire Dr. :** Pod in the driveway and unregistered motor vehicle. **RVC sent 3/2/26.**
- **105 Church Hill Rd:** Complaint received on 12/11/25 for a sign in front of a residential home and stated the property is utilized as a boarding house. Will investigate and do research on town files and do drive by inspection on 12/15/25 to determine if the sign is present and what violations are observable. Site inspection conducted on 1-7-26. Sign observed and will require a permit. **Enforcement Pending.**
- **1496 Rt 12:** Complaint for Uhauls received on 8-11-25. This is not part of the properties/ tenants approved site plan. This is equipment rentals and requires a special use permit in the zone. The tenant was notified about the violation and stated they would work with Uhaul to resolve the issue. A Uhaul representative stopped into the land use office to discuss the Uhauls and was also told the Uhauls are not permitted and a special use permit is required. Additional complaints were received on 9/30/25 for unpermitted storage of vehicles such as a tractor trailer abutting the neighbors properties. A site inspection was conducted and Uhauls still present on the property as well as storage of motor vehicles and a tractor trailer outside of the fenced areas and appeared to be in the town right of way. The tenant was called again and stated all vehicles and or equipment shall not be stored outside of the fenced area that are to be repaired. It was also reiterated that the Uhauls still needed permits and that the tenant should come into the Land Use Department to discuss what permits are required and an updated site plan with the surveyor who made the first site plan needs to be contacted to update a new site plan for a special use permit and to accommodate multiple site improvements such as meeting set back requirements and additional parking needs such as handicap accessible. The tenant met with he Director and myself on 10/9/25 to discuss what needs to be removed and that a NOV- RVC will be sent to instruct the tenant on what it in violation and what to do to correct said violations

and will be given 30 days to comply. Site inspection to be conducted on 10/28/25 to determine next steps towards compliance at the site and what permits owner will have to fill out regarding use of Uhauls at the site. Tractor trailer and other vehicles have been removed from side of roadway. NOV to be issued and get owner to submit revised site plan for Special Permit application for the accessory use of the Uhauls at the business.

- **4 Commerce Court:** In recent weeks a fire was reported at the site and the Fire Marshal brought forward to the Land Use Department that the lot appeared to be utilized by a company that he was not aware had approvals or permits to be operating at the site. Staff contacted the owner and it was explained to them that a Site Plan and permit application is to be filled out and submitted to the Land Use Dept. The Director of Land Use and Planning stated to the owner exactly what needed to be done and to not do any additional site work or continue to operate until all approvals have been granted by the Planning & Zoning Commission. During a site inspection on 11-5-25 with the owner, Director of Land Use & Planning, and myself. The Site appeared to be completely disturbed. Significant grading had been done and lots of disturbed soil was observed throughout the site. There were E&S controls up and appeared to be stable throughout the site and edges of disturbed soil. Large vehicles, plows, sand mixer, and other equipment were observed in addition a metal fence had been installed. It was instructed to the owner that no further work will be conducted at the site and the vehicles stored on the site shall not be removed. If the vehicles and/or equipment is taken off site, they are not to be stored at the site until all approval have been granted. A Request for Voluntary Compliance Notice of Violation will be sent to the owner instructing them, they have 30 days to complete and existing site plan and proposed site plan with a complete application to submit to the Planning & Zoning Commission for Review. If no such application is submitted from the date the letter was received, then a citation of \$150.00 per violation per violation will be issued to the owner. It was made clear to the owner how the citation process works and that they need to be brought into compliance immediately. **Closed but continue to monitor to ensure compliance with applying for proper approvals through P&Z.**
- **47 Micheal Lane:** Complaint submitted on 10/14/25 for STR operation. Will follow up on or about 10/27/25. Observed ad on 2/3/26. **RVC Pending.**
- **52 Stonybrook Rd:** Complaint submitted on 10/14/25. No further ads observed as of 2/3/26.
- **9 Albatross Dr.:** Complaint received 7-21-25 for Conex Box. Site Inspection conducted 7-30-25. Conex Box on front lawn. RVC Sent 9/11/25. Follow up on 10/17/25. NOV with Intent to Cite sent on 1/9/26 and must be compliant by 2/26/26. **Follow up drive by inspection conducted on 2/17/26 and observed the Conex Box has been removed and no longer on the property. To ensure compliance, observed rear and side yards from abutting properties as it was visible from the roadway.**

- **14 Harvard Terrace:** Rooster complaint received on 05-12-25. Site inspection conducted on 05-29-25 and rooster was heard on the property but could not observe it. However, tenant friend was present on site at the time and gave the contact information for the owner and confirmed there was a rooster on the property. An additional complaint was received on 06-02-25 and discussed the rooster but also the owner is conducting a masonry business on the premises and previous violations have been reported and dealt with. Will review files and contact owner to discuss removal of rooster and if they require a home occupation via site plan review or zoning permit approval if it is allowed in scheduled uses. The CT business search does show the owners business as Pepin Masonry located at 14 Harvard Terrace. The complainant did state they are cutting stone at times and has spread it throughout the neighborhood previously. **RVC pending.**
- **9 Winfield Way:** Complaint received on 4-10-25. Rooster and chicken coop put up in the last week. However, there are no permits on file for a rooster. Site inspection conducted on 4-16-25 however, there was no access to the property to see any chicken coop. RVC sent 6/30/25 waiting for response from property owner. In contact with owners, working on appropriate permits and rooster to be removed. Inspected the property with owners on Followed up with owners with a site inspection on 8/5/25 and found the coop was not 75ft from the onsite well and needed to move it/ prepare new site plan for a zoning permit. The owners stated the rooster would be removed within two weeks. Followed up with a phone call on 9/3/25 left voicemail for follow up inspection and requiring a zoning permit for the chicken coop. **Follow up inspection and RVC pending.**
- **576 Lantern Hill Rd:** Old violation case involving the prohibited use of an agricultural parcel/ barn for a landscaping business. Working with town attorney and Land Use Director at this time if further enforcement is needed. CLOSED but monitoring for any repeat offences.
- **550 Colonel Ledyard Highway:** On a different inspection, it was observed from the road, two Conex boxes/ shipping containers are on the property. Looking into the records, there are no previous permits for permanent storage containers prior to the adoption of the new regulations. **RVC to be sent out.**
- **83 Inchcliff Drive:** Complaint received 11/18/24 via email stating their landlord is renting out the basement of the apartment building and it does not have its own kitchen, bathroom, and/or common/ private entrance. RVC drafted and awaiting review. Drive by inspection conducted 11/28/24 but could not determine without stepping onto property to see if anyone was present in the basement. An additional phone call complaint was placed describing the

situation from a different resident. Two phone calls were placed 12/2/24 to get more information. Awaiting a call back. Property card does state first floor apartment has sole use of the basement. Will make contact with owner to verify the activity is in accordance with the allotted use of the basement. On 4-2-25, Post office called stating first floor tenants do not have a roommate even though the owner is trying to have mail set up for a 4<sup>th</sup> apartment. **Property to be sold and shall be compliant with all applicable deed restrictions including the basement is Soley to be used by the 1<sup>st</sup> floor apartment. Continuing to monitor to ensure no apartment is advertised for the sale of the property and will follow up to ensure compliance with deed restrictions.**

Inquired with resident who lives at the property and working with getting the property into compliance. Truck has been cleaned out of junk and screened on side of home. Registration for vehicles on the property received 10/27/25. Site inspection conducted on 10/27/25, significant progress to the site with the blighted vehicle and clean up of junk items. Will be reinspecting tentatively end of December with resident of the property. Has provided registration of all vehicles on the property and appears to be operable. In addition, all commercial equipment not associated with the construction of the approved garage will be removed off the property. **Site inspection conducted on 2/4/26, Excavator and additional junk/blighted items had been removed. Resident is continuing to work on removing additional items from the lawn. Will follow up ASAP to ensure compliance.**
- **9 Pinelock Dr.-** Complaint received on 9/10/25 for inoperable vehicle parked in front of the home, scheduled site inspection for 10/6/25. Site inspection conducted and inoperable motor vehicle observed. Ledyard PD followed up with owners of the property for a different complaint about a motorcycle parked in the roadway. Vehicle from complaint has been removed. **CLOSED.**
- **23 Devonshire Dr:** Complaint received on 7/21/25 for several properties that may be blighted. I inspected the complaints on 7/30/25. As I drove around the neighborhood, I observed a property with grass that had grown >9” in length. RVC sent to owner. Owner emailed on 9/23/25, lawn has been mowed and working on replacing siding in October. Site inspection conducted on 9/29/25, lawn has been confirmed to be mowed and will follow up with owner on or about 10/8/25 for timeline of repair of the siding on the home. Followed up via email for any updates to the property on 10/30/25. **Follow up email sent on 3/2/26 regarding the blight**

**at the property. Requested a prompt response prior to formal enforcement proceedings. Owner got in contact on 3/9/26. Will follow up to reach a deadline for compliance.**

- **26 West Dr.:** On 7/21/25 drive by inspection for a different complaint for blight, I observed another property at the end of west drive with an RV that appeared to be unregistered as well as the roof did not appear to be in good condition. RVC to be sent for RV registration and will confer with building official if roof is in violation of the building code. **RVC to be sent ASAP.**
- **5 Stoddards Warf-** Complaint received on 06/18/25 for overgrown vegetation onto sidewalk. RVC sent on 6/25/25. RVC received on 7/25/25, owner has 7 days to respond before further enforcement action. Follow up on or about 8/28/25. Issuance of citation if no response. On or about the week of 8/18/25-8/21/25 a former employee of DPW brought equipment to cut back the brush blocking the side walk. A follow up letter will be sent to the property owner, stating that a resident took it upon themselves to remedy the blight. However, the property owner shall maintain the sidewalk as it's their responsibility. If it becomes overgrown again, a Notice of Violation with Intent to Cite will be issued. **Closed, but will continue to monitor.**
- **11 Sunset Ave:** Complaint received on 06-11-25. The vegetation has grown > 9". RVC sent on 6/30/25. Owner made contact and stated they will have to find someone to mow the lawn. Unresponsive to follow ups. Additional site inspection conducted on 10/2/25, junk observed abutting roadway and on front lawn. Some of the lawn appeared to be cut but other portions still greater than 9" in height. No response from owner and will not return calls. Additional site inspection conducted on 10-27/25 and observed additional discarded items on the front lawn. Blight citation to be issued on or about 11/5/25. Junk and debris observed on the front lawn on 11/25/25. The home appeared to be abandoned, and the windows looked to be left open at the front of the house. Some neighbor's happened to be walking by and I spoke with them asking if they had any information on the homeowner. They explained the owner has had mental health episodes in the past and had two wellness checks conducted in the last two months. They stated that he was not taken out of the home for medical reasons the first time but appeared to have been taken by ambulance the second time. After conferring with the Police Chief on 11/25/25, the owner has a history of mental health. **As of right now clean up of the property is unclear and will have to evaluate further for ownership of the home. Will follow up ASAP.**
- **67 Meeting House Ln:** Complaint received on 06-05-25 for overgrown pollinator garden. Complainant stated that the garden has become too overgrown and has been possibly causing more mice to come over onto their property but has not been confirmed according to complainant. Drive by inspection conducted on 06-05-25 and signs showed the lawn was designated as a pollinator garden. However, there were many flowers but also overgrown weeds and tall grasses. A similar blight case was brought up in New London according to the

Land Use Director. On 06/10/25 I reached out to the Blight Officer of New London who stated that to enforce their blight ordinance it was written so that pollinator gardens must be maintained to a certain degree as to not over grow onto sidewalks or block sight lines. They stated that it would be possible to enforce the overgrown grass section of our blight ordinance and let the owner know it can be appealed to the citation officer. **Closed, but will continue to monitor in warmer weather. Issue enforcement letter as needed if not in compliance.**

- **20 Hurlbutt Rd:** Complaint received on 06/10/25 for junk throughout the front of the house and rear as well as unregistered motor vehicles. I inspected the property on 06/16/25 and observed several pieces of junk in the rear yard including various car parts, a dilapidated structure, old shopping cart, and various debris. **Follow up inspection needed.**
- **51 Kings HWY:** Complaint received on 3-27-25. A site inspection was conducted with the Director of Land Use and Planning, Building Official, and ZEO on 4-7-25. The windows on the second floor were broken and boarded up as well as boarded windows on the first floor. Broken electrical boxes and two AC units were ripped open and stripped of parts. The rear and side of the building had discarded junk and trash of various items including, lawn mower, pool lining, detergent bottles, etc. Siding was observed to have been stripped on one side. The vegetation in the parking lot and around the building was greater than 9" in height. RVC sent 5-7-25. Spoke with representative Howard Worst on 06/10/25. Mr. Worst stated clean up has begun at the site including, disposal of junk/trash dumped on the property, fixing of broken windows, clearing tall brush, and will be working on replacing the siding. Additionally, he stated they will implement preventative maintenance at the property to ensure no further junk is accumulated there or further damage to the building. Follow up inspection conducted on 8/28/25 showed grass had been cut back but windows still boarded up. Caretaker Howard Stern emailed on 9/2/25 to state they were working towards replacing broken windows and removing the boards from the windows to bring the property in compliance. Follow up inspection conducted on 9/11/25, significant progress has been made at the property. Property continues to be maintained. Site inspection conducted on 9/24/25 showed additional progress has been made with removal of boards from windows. Caretaker of the property had emailed on 10/13/25 to inform me that the plywood has been removed from most of the windows and are working on replacing all broken windows. Update was submitted via email given on the property on 11/24/25 as new windows are actively be replaced and boards still being removed. Reinspection conducted on 12/4/25, several boards removed from the windows and several windows have been replaced. Property caretaker working with Blight Officer to achieve compliance. Will continue to monitor. **Observed several workers taking off boards on the windows, owner is continuing to keep up the property and replace windows. Will continue to monitor. Continuing to monitor.**

- **967 Shewville Rd:** On 7/16/25 inspected the property for zoning compliance for a recently built deck. Upon observation, the front yard had several discarded open trash bags and junk furniture items on the property. **Follow up inspection and RVC pending.**
  
- **11 Allyn Lane-** complaint received 3/24/24- Several inspections conducted by previous ZEO, no contact was made via RVC or other documentation. However, the resident of the home is under the power of attorney and will need to contact them to begin clean up. Blighted driveway and yard had not been cleaned up. Owner called 7/31/25 to discuss removal of waste and junk items at the property. Owner as per property card is under Slater Madeline Estate with Beth Sabilia Law listed as the address. Reached out to Attorney Sabilia regarding the estate of Madeline Slater and will work with the town to clean up the yard. She did state that the property ownership is to be transferred to Leanord Slater who currently lives on the property. A drive by inspection was conducted on 9/3/25 and met with Mr. Slater in person. It was discussed why the property is Blighted and that currently we are working with Attorney Sabilia to start clean up. I explained once ownership is transferred to Mr. Slater that he is responsible for maintaining the property and/or clean up of blight. Will send out RVC to Attorney Sabilia on or about 9/4/25. Attorney Sabilia stated ownership of the home is supposed to be transferred to Mr.Slater the current tenant however there area some legal paperwork issues they are working on resolving. **Recently, Attorney Sabilia stated the ownership of the home is no longer with her office and that I will follow up with the new owner to reach compliance. RVC pending.**
  
- **1 Mull Berry-** **Complaint received in March 2024.** Complaint for abandoned or inoperable vehicles and equipment on property. Found contact information, will call owner for vehicle removal. **RVC pending.**
  
- **33 StonyBrook Rd:** Complaint received on 3-31-25 for large bags of trash on the property and spilled over trash cans that are not cleaned up for months at a time. Site inspection conducted on 4-15-25 showed two garbage cans on their sides with a large bag of trash on the ground as well as several other pieces of trash. RVC send on 5-8-25. Contacted the owner on 05/26/25 and they stated they have dumpsters periodically brought to the property when their trash is too full. They sated 9 people live in the house and were not allowed to have additional trash/recycling receptacles when they reached out to the town. This was confirmed with the director of public works as it is a contract, and additional private arrangements cannot be made and the owner. Additionally, the director stated they will have to take the additional waste to the transfer station. **RVC sent on 1/7/26. RVC resent with correct updated address and contact information. New property owner as of 12/2025. Will do follow up inspection and contact new owner as needed.**

- **26 Lake St:** Ongoing blight case started in with junk and trash on the front of the property. Previous ZEO report stated junk had been removed but to reach full compliance the lawn will need to be mowed. Will follow up with drive by inspection on 2/24/25. Junk has been removed off the property and appears to be in good order. Complaint received on March 12, 2025. Site inspection conducted on 4-10-25 for blighted rear property of home. Junk and discarded items were observed on the fence on the eastern portion of the property and along the back side of the house against the wall. The roof appeared to be in poor condition as well as the fascia and soffit of home had a hole. Additionally, greater than 30% of paint was chipped on the structure. Will follow up with an RVC and update the file as this is an ongoing case for several years. RVC sent on 6/30/25. Made contact with the owner. A site inspection was conducted on 7/Some progress has been made with the removal of mattresses and other pieces of discarded furniture and junk. The current resident is in probate court and will hear more information on 8/5/25 for updates as to the executor and who shall be responsible for the property and to maintain it. Follow up email and phone call placed on 9/3/25 regarding status of the property and to conduct a site inspection with executor of the estate to bring the home into compliance. Reinspected the property on 9/11/25, some progress has been made with clean up of junk but the property is still in poor condition. Follow up inspection conducted on 10/6/25. Improvements to the site include removal of junk items from side of home and front of garage, grass mowed, and vehicle registered. However, home still has large brush piles in the rear yard to be removed, paint of the home exceeds 30% chipped as stated in blight ordinance, and soffit has a large hole that will need repair. Inspection conducted on 3/2/26 and observed further possible blight in the snow piles. Will contact owner to follow up for compliance. If not progress, issuance of formal notice of violation with intent to cite to be issued. This property is the subject of repeated offenses, Town staff monitors regularly. Follow up inspection conducted by ZEO on 3/10/26 RVC and enforcement action pending.
- **5 Long Pond Rd:** Received complaint via phone call on 2/12/25. Detailing the property has a camper close to the road that is being used as a residence with two dogs inside. The property also had a separate complaint from another neighbor that the property is blighted(see new blight cases for details). A site inspection was conducted on 2/12/25 and there was a camper present along the edge of the property. It could not be determined if there were animals inside or if there was any activity. However, upon further observation of the camper, there are two propane tanks hooked up that may be used for heating. Land Use Director and ZEO will have an in person meeting with the homeowner in the near future. 3/18/25 follow up email sent due to no response. Conducted site inspection on 06/04/25. RV is no longer on the property however have begun working with owner on the blight that is present throughout the property. Conducted follow up inspection on 8/28/25 with the owner. Will begin clean up of certain areas and expand from there. Follow up inspection to be conducted on 9/17/25 11am. Conducted follow up site inspection with the Director of Land Use and Planning and Mr. Bryson on

10/02/25. Mr. Bryson was instructed to clean up the front of the home and several pieces of equipment to be stored near the large barn on the property. Follow up inspection conducted on 10/16/25, some compliance achieved with items removed from the front yard, vehicles unregistered or inoperable still present at the property, working with the owner to remove them in a timely manner. Stated to the owner additional smaller areas requiring clean up. Reinspected on 11/4/25. Property cleaned up in some portions however several unregistered and inoperable vehicles are present. The owner does not want to move a hot tub/ swim spa off the side of the road due to the cost of instillation and planned on installing it with proper permits in the spring of 2026. **Met with owner on 3/9/26 and discussed clean up actions. Will follow up 3/30/26.**
