Subject: Cashman quarry

Sent from my iPhone my name is David DeNoia I live at 45 Barry Dr. in Gales Ferry I have lived in Gales Ferry for over 63 years. I've seen and heard a lot of crazy things but nothing can compare to this mess with Cashman and Mount Decatur. I do not want mount Decatur touched. ,.! Once they Get Their Way,, Cashman will blast away and make our lives a living hell! Cashman's profits skyrocket our property values and our health as well as our quality of life PLUMMET!! We must protect our health, our sanity, and those of our children and our children's children. Please, I beg you do not, do not let this boondoggle of a mess go through and ruin our beautiful town of Gales Ferry. A quarry has no place in the middle of a town!! The mirror thought of it is ridiculous and sheer madness! I have been to every single meeting so far. Unfortunately I cannot come to the meeting this evening, that is why I am sending this email in hopes that I will reach the hearts of the entire board let our voices be heard, and please do the right thing for the residence of Gales Ferry. Do not let the quarr project proceed. Remember, Cashman does not live here ,WE DO!!!!!! Respectfully, David DeNoia
