Subject: CSO fundraiser walk

Hello, Roxanne!

My name is Lyndsay Denman and I am working as an intern for Community Speaks Out in Groton. CSO recently purchased a new building and is hosting a 5k walk on Saturday, May 31st starting at 9am, with a ribbon cutting ceremony at noon. While we would love for Ledyard Town Council to join us, I would also like to direct you and the council members to our website or Facebook page to find out different ways to donate or to learn more about our organization. If the council members are interested in joining us on May 31st, I am happy to give you my supervisor's phone or email address for more details.

Thank you!
Lyndsay Denman.
