Subject: Support for Ledyard Ethics Commission

Dear Ledyard Town Council,

Thank you for all the hard work you have been doing for our town. I am grateful for your work on crafting a responsible budget, plus your great work on the Finance and Admin Committees, and the Community Relations Committee for Diversity, Equity, and Inclusion, among many other things.

I am writing to support the development of a Ledyard Ethics Commission. Ledyard needs a commission that is empowered to investigate allegations of unethical conduct, corrupting influence, illegal activities, or other behavior that would reflect adversely on our town. Citizens must have a mechanism to be aware of who is trying to influence officials and to address real or perceived conflicts of interest.

I expect that people who work or are elected to serve in Ledyard are accountable for their actions. An ethics commission would be a critical step forward for enabling our town to shed light on financial and other conflicts of interest among public officials or town employees. A strong, independent ethics agency is essential to maintaining a government that is representative, responsive, and accountable.

An ethics commission must be built on the principles of independence, accountability, and transparency. A well-designed ethics commission will help the public trust that our government officials have integrity, as well as enable accountability for violations of the public trust.

Quite a few other CT towns and cities have Ethics Commissions. We need one in Ledyard as well.

Thank you for your time and attention.

Sincerely,
Alyssa Siegel-Miles
