Subject: PZ#26-3SITE - LUD Recommendation 6/11/26

JUN 03 2026
 Land Use Department

Anna, Please save this email as a file document for PZ#26-3SITE and post:

6/3/26 Commissioners, I have completed a preliminary review and follow-up review of the above-referenced application and there are outstanding issues that need to be addressed and I have further file documents to review. I recommend that the Applicant present its application to the Commission on 6/11/26, but that the Commission table the application to the 7/9/26 regular meeting so that I can complete my review. I will be away on 6/11/26 and will not be in attendance at the meeting. Thank you.
