To whom it may concern,

Members of the Senior Commission recognize the financial benefits of the merger. However, we have some concerns that need to be addressed.

- Equal representation on the new commission
- Commission should meet during the day as most seniors are reluctant to drive at night.
- Meetings should be held at the senior center so seniors can advise the commissioners of any concerns
- Establish a senior advisory board that reports to the commission.
- Request a 9-person commission with 2 alternates verse a 7-person commission with 2 alternates.

Sincerely,

Norma Sokolski
