Dear Mr. Gawendo,

Re: Ready to Serve – Water Utilities at Proposed Residential Development (Sweet Hill Acres), 19, 29, & 39 Military Highway, Gales Ferry, Connecticut

Groton Utilities, Contract Operator of the Ledyard WPCA, currently serves Military Highway in Gales Ferry with adequate pressure and flow rates. Flow data and water main record plans are available upon request.

The water that we supply meets all established Federal and State drinking water standards. The Groton Utilities Annual Water Quality Report is available at www.grotonutilities.com.

Please contact me with any additional information that you may need as you progress with the project.

Sincerely,

GROTON UTILITIES
