STAFF RECOMMENDATION: APPROVE WITH CONDITIONS.

- ***If the Commission is inclined to approve the application, the following MOTION is suggested for any favorable approval:***

I make a MOTION to APPROVE Application PZ#24-12SITE - 5A Lorenz Industrial Parkway, (Parcel ID: 138-1380-5A), Ledyard, CT, 06339 - Agent, Peter Gardner - Applicant/Owner, A&R Associates Inc. for site plan approval for new 2400+/-sf commercial building and associated site improvements in that the application, supporting documents and a plan entitled "Plan Showing Proposed Building on Property of A & R Associates, Inc., 5a Lorenz Industrial Parkway, Ledyard, CT Prepared by Dieter & Gardner, Dated October 2024, Revised to January 2, 2025" comply with all applicable sections of the Ledyard Zoning Regulations, with the following conditions:

1. Access and utilities easements documents shall be submitted for review & approval of the Town Attorney and shall be filed on the Land Records in the Office of the Town Clerk with the Final site Plan. No zoning permit to start work shall be issued until filed. Proof of said filing shall be submitted to the Land Use Dept.
2. Four (4) final plan sets, along with a digital copy of the final plan, shall be submitted to the Land Use Dept. & shall be signed and sealed with original signatures by L.S., P.E. & C.S.S.
3. The final approved site plan set, following endorsement, shall be filed on the Land Records in the Office of the Town Clerk within 90-days following its approval, et al. No zoning permit to start work shall be issued until filed. Proof of said filing shall be submitted to the Land Use Dept.
4. An approved Zoning Permit is required prior to the start of any work.
5. Prior to issuance of a zoning permit to start work, A Soil Erosion & Sediment Control bond shall be posted in the amount of \$3,500 in a form acceptable to the Finance Director. No bond, or portion thereof, shall be released without prior approval of the Zoning Officer and/or Director of Land Use & Planning.
6. Following the issuance of a zoning permit to start work, the Zoning Official and/or Land Use Director shall be contacted and a pre-construction meeting shall be held at least one-week prior to start of any work.

7. Following the pre-construction meeting, Soil Erosion & Sediment Controls (SESC) shall be installed in accordance with the approved plan set and inspected by the Zoning Officer prior to the start of any work. SESC shall be maintained in good working order until the site is permanently stabilized with vegetative or other cover.

8. After work has commenced, any substantive changes to the approved site plan require review and approval by the Land Use Director and/or the Planning & Zoning Commission.

9. Applicant shall meet all of the requirements of the Ledyard Building Department, Fire Marshal, WPCA, Ledge Light Health District for required permitting and inspections.

10. Prior to issuance of any Certificate of Zoning Compliance, all site improvements shall be constructed in accordance with the approved site plan. A complete As-Built plan certified to A-2 accuracy shall be submitted to the Zoning Official and/or Land Use Director for review & approval.

11. The Applicant may, at the discretion of the Zoning Official and/or Land Use Director if the site improvements have been substantially completed, submit a site completion bond for any improvements that have not been completed at the time of the request for Certificate of Zoning Compliance due to weather or other constraints out of the control of the Applicant/Owner. A bond estimate for said improvements shall be submitted to the Land Use Dept. for review and approval and any bond shall be posted in a form acceptable to the Finance Director.

- ***If the Commission is inclined to deny the application, it shall state upon the record its reasons for denial.***
