**Subject:** Ethics commission

All

I respectfully request that you follow up on establishing an ethics commission for the Town of Ledyard.

It is clear from activity and accusations by the public and applicants in multiple issues presented to the town that there are significant areas of concern.

I recognize it is not uncommon for conflicts of interest to occur. But it is critical there is independent review of such.

Appreciate your prompt attention to this matter.

Sincerely  
Kathryn Conroy  
40 Bluff Road  
Gales Ferry
