You don't often get email from branse@halloransage.com. [Learn why this is important](#)

Hello, Liz,

Welcome to Ledyard! Attached is a package of documents indicating approval of the Donco septic systems by the Ledge Light Health District. I got these as 3 separate documents, and I can send them to you that way, but I thought it might be easier to have them as one single pdf document. I'm copying Rob Avena on this because he's been involved since the first PZC meeting and has some familiarity with the background.

Please add these documents to the record. Let me know if I can help you in getting up to speed on this application. Let me know when this will be a PZC agenda. Thanks.

Regards,

Mark
