Good Afternoon Ms. Burdick:

Attached hereto please find the following resumes:

1. Dr. Catherine T. Aimone-Martin, President of Aimone-Martin Associates, LLC.
2. Kenneth Kaliski, PE, principal of RSG Inc.

Rather than enter the attached resumes as separate exhibits in the record, request is hereby made that you insert them into the Zoning Compliance Manual, in Section I, as Items 14 and 15. I am mailing you originals, with tab separators to be inserted into the physical zoning compliance binder.

I am also attaching an updated Zoning Compliance Manual in .pdf format that contains the added resumes. This updated manual also contains the Phase II Cultural Resources Assessment that was provided to you by e-mail yesterday. That report should be inserted into the Zoning Compliance Manual in the existing tab in Section II, Item 9.

Please call me if you have any questions.

Harry B. Heller
