Subject: Quarry proposal

Sent from my iPhone my name is David DeNoia and I reside at 45 Barry Dr., Gales Ferry I have been a resident of Gales Ferry for well over 63 years. This proposal must be stopped. We are talking about our lives and our children's lives as well as our sanity. Please do not allow this proposal to move forward, it would be considered a de election of duty in my mind. It is time to not think about Cashman's profits. It is time to think about what's right for the Citizens of Gales Ferry and this proposal is not right for the citizens of Gales Ferry. With all the schools and surrounding neighborhoods a quarry does not belong anywhere in this town. Please do the right thing I'm speaking to your hearts the hearts of every single commission member would you want this in your neighborhood? I think we know the answer already please I beg you please help us stop this disaster. Too many negatives absolutely no positives. I thank you for letting me tell you my feelings. I am not a very religious man, but I have been praying to God to help us get through this, and I pray to him for you council members to get us through this . Please help us. Respectfully, David DeNoia.
