Subject: Feedback on Compost Program

Hello!

I just wanted to say as a new resident of Ledyard (moved here in 2023), I'm so appreciative of the pilot program for composting.

When we lived in Rhode Island we utilized a paid program called Black Earth Compost that picked up our compost 2 times a month. It was expensive and we didn't have the luxury of choosing when they came. With this pilot, I've loved that when our deep freezer has a few bags, we can bring them right over to the Transfer Station on our own timeline.

This is a great way we can all make a little difference for our environment and I hope it continues on past year one.

Thanks!
