Dear Ms. Burdick,

I am very concerned about a quarry being proposed in Gales Ferry/Ledyard by GFI. Please respectfully receive this, my request, for you to hire AT THE EXPENSE OF THE APPLICANT, an expert in the field of Blasting, Environmental Health & Safety, Acoustics, Storm Water Runoff, River Ecology, Traffic, and Carcinogenic Dust for the Town of Ledyard to aid the Ledyard Planning and Zoning in their deliberations regarding approving or denying this application. Thank you for your consideration and for all you do.

Sincerely,

Ellen Atwood
