Subject: RE: Stormwater Report -Request - 1947 Center Groton Rd

Good morning Liz & Hannah,

Following up with, on behalf of our engineers, to request if any additional Stormwater Report information was available for the 1947 Center Groton Rd site. We were under the impression that their engineer was set to provide additional documents to Ledyard Planning by 4/15. If possible, we hoped to review them and include that as part of our review comments for this Monday.

Thank you both!
 Kate
