Subject: Town of Ledyard 24/25 Proposed Budget

You don't often get email from dkdavies@sbcglobal.net. [Learn why this is important](#)

We will be unable to attend the budget hearing on April 15th but want to go on record as supporting the 24/25 Budget as proposed by the Ledyard Town Council. As pressure grows on cities and towns in Connecticut, the Council did an excellent job in crafting a budget that meets the town's needs while minimizing the tax impact on residents. They should be commended for their efforts.
