They build community and local economy. They equitably promote the health and well-being of current and future residents and they respect the finite capacity of the natural environment.*

WHEREAS, Sustainable CT is designed to boost local economies, help municipal operations become more efficient, reduce operating costs and provide grants and additional support to municipalities.

WHEREAS, East Haddam embraces an ongoing process of working toward greater sustainability, selecting which actions it chooses to pursue from the voluntary menu of actions provided by Sustainable CT.

RESOLVED, by the Board of Selectmen of the Town of East Haddam that we do hereby authorize Robert Smith, Selectman, to serve as East Haddam's Sustainable CT contact person for the Sustainable CT Municipal Certification process and authorize him to complete the Municipal Registration on behalf of the Town of East Haddam.
