Sent from my iPhone To the entire zoning board, I beg you one last time to please not allow this horrible project to go forward. The health concerns, damage to our wells at homes, damage to the nearby waterways damage to our health, via all the dust created for the next 10 years plus , all the noise it will create, and the damage it will do to everyone in our beautiful town. I beg you please do not let this go to the next step. Lastly, I ask you to just keep one thing in mind, and that is Cashman does not live here, we do! Thank you very much. Respectfully David DeNoia, 45 Barry Dr., Gales Ferry.
