Dear Christina,

Enclosed is a check in the amount of \$100 as a donation from the Ledyard Garden Club to the Town of Ledyard's Beautification committee for assistance in funding horticultural enhancements to the town. We are happy to support recent endeavors throughout the town.

The Garden Club is pleased to continue to partner with agencies throughout Ledyard to promote horticulture and gardening within our local community. This donation is funded by the proceeds from the Ledyard Garden Club's Annual Plant Sale which is held each year in May, and supports the Club's annual charitable donations as well as community and civic projects.

With best regards,
