Subject: Resignation from Town Council

Dear Chairman St. Vil,

It is with a very heavy heart that I must submit to you my resignation from the Ledyard Town Council, effective immediately.

It has been an honor, to say the very least, to have been able to sit on this council among such esteemed individuals. I only hope that I have been able to faithfully serve our community and the good people of Ledyard, if only in a small way.

Thank you for the privilege.
My very best wishes to you and the Council moving forward.

Sincerely your's,

James C. Thompson
