**Subject:** Regarding flag flying

To whom it may concern,

This note is to let you know that I DO NOT support the Town of Ledyard flying any other flag than the official flag of the United States of America and the state flag of Ct or a POW flag.

Supporting any other cause is not consistent with unity of all. It is creating division. If not all support a flying flag, it's that same as misrepresenting those who are not in agreement.

Having said that, people are free to fly whatever flag they choose on their own property.

Just not in a public place in representation of all.  
We are AMERICAN first...

Thank you,  
Christine Krupansky
