V. PUBLIC COMMENTS

1. Public Comments.

Karen Parkinson, Historic District Commission Chairperson introduced Dave Schroeder, who gave a presentation on a proposal to get the Town to change the Gales Ferry Development District back to the Gales Ferry Design District. His group is looking for support from the Conservation Commission to re-establish the area as a Historic District Village, which will give the Town some tools to use when reviewing proposed developments. The group is meeting with Planning and Zoning Commission on May 14, 2026, for a preliminary discussion about its proposal and will come back to Conservation with more details.

VI. TOWN COUNCIL LIAISON REPORT**1. Town Council Liaison Report.**

No report.

VII. INFORMATIONAL ITEMS**1. Informational items.**

- A low hanging branch at Burton Park has been cut down, waiting for the Public Works Department to take away the dead wood. The 15-foot trunk is still standing but poses no danger. Chairman Marelli contacted H&H Landscaping, which cut down the branch and most of the tree at no charge.

- Chairman Marelli will attend the Ledyard Agricultural Commission meeting on April 21, 2026.

- 20 houses are being proposed for Silas Deane Highway which will include some open space that may connect to existing open space.

- The Alliance for the Mystic River Watershed is holding its 2026 Spring Fest May 2, 2026, at Coogan Farm in Mystic. The Commission will set up an informational table

6. Mystic River Watershed Protection.

No report.

7. Sustainable CT Certification spreadsheet discussion.

During the March meeting, Mr. Harwood asked the Commissioners to look at the spread sheet which he sent around and to identify items the Commission has accomplished. These items can earn points to get the Town certified as a sustainable municipality to participate in the Community Match Fun, which will provide up to \$6,000 in matching money for crowd-source funding projects. The Commissioners reviewed the spreadsheet and identified things that the Commission has accomplished which will earn points, including creating management plans for Burton and White-Hall properties, setting up informational tables at various events to educate public on conservation goals, etc. Commissioners are gathering info, including meeting minutes and other documentation.
