Hannah & Liz:

Thanks for the phone call earlier today. As we discussed, 84 Silas Deane LLC would request that the IWWC Commission table the pending application for IWWC#26-6RESUB to the June 2, 2026 regular meeting so that we can fully address the review comments of the town engineer delivered to us last week.

Please do not hesitate to contact me if you have any questions.

Bill

**\*\*\*WARNING: WIRE FRAUD IS ON THE RISE!\*\*\***

WIRE FRAUD ALERT: E-mail hacking and fraud are on the rise to fraudulently misdirect funds. Before you wire or otherwise transfer funds to our office, you must confirm the request and any corresponding instructions by phone with our office at 860-447-0335 before you initiate any transfer. E-mail accounts of attorneys, title and closing companies, and other professionals are being targeted by hackers in an attempt to initiate fraudulent wire transfer requests.

TCORS has taken cybersecurity measures to protect its e-mails against hacking, including hacking and phishing potentially aimed at fraudulent wire transfers and other fraudulent schemes, but there can be no guaranty or assurance that these measures will be completely effective. TCORS cannot be responsible for security breaches initiated on or by the client's electronic devices and encourages each client to make sure that they have taken reasonable measures to prevent cyber fraud. TCORS facilitates wire transfers at the request of, and as a convenience to, its clients and shall not be responsible or liable for damage caused by fraudulent wire transfers or other fraudulent schemes.
