**Subject:** follow-up to last night's discussion

Good Morning,

Following up on last night's discussion regarding reducing the mill rate stabilization fund contribution to yield a mill rate of 25.78.

A reduction to the mill rate stabilization fund contribution of \$765,000 down to \$1,089,535 would yield a mill rate of 25.78 which would match the prior year equalized mill rate.

This assumes the additional education aid (\$481,304) and town aid (\$1,703,834) are also factored in.

Thank you,

Matt
