Land Use Department

Land Use Office, Att: Mrs. Burdick
Box 741, Col. Ledyard Hwy.,
Ledyard, CT 06339

Dear Mrs Burdick,

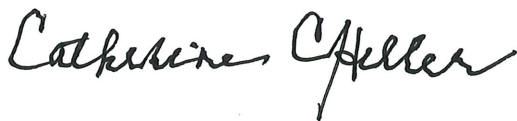

I wish to go on record the I am strongly opposed to the most recent application by Cashman GFI pertaining to quarrying and aggregate removal from the former Dow Chemical property.

I am opposed for the following reasons: health and safety of residents, heavy increase In highway traffic, noise (we already have the extraordinary noise and heavy truck travel from an existing quarry in Gales Ferry), and damage to existing buildings and property.

I thank you for your attention.

Sincerely,

Catherine Hiller

1071 Long Cove Rd

Gales Ferry, CT. 06335
