Subject: Request to EDC on Behalf of Sustainable CT Ad Hoc Committee
Attachments: 6.1 Implement Complete Streets.pdf

Good Afternoon All! Would it be possible for one member of the EDC to watch the following training video and submit back to me a summary of its contents to support our Sustainable CT Certification Application? This would pertain to Action 6.1.2 (overview and information attached to this email for reference). Our Ad Hoc Committee would appreciate all the support it can get, thank you! 😊
