Good Afternoon Liz,

Thank you. Happy New Year, hope you had a nice holiday!

Thank you for making me aware of the upcoming meeting, my apologies I was not necessarily aware that there was a continuing meeting. I have been in contact with Frank coordinating the proposal's design (attached) and I'm working on providing feedback to the plan he had last submitted to us.

If possible, could you, Frank, note if there were any additional materials provided to the Town for this Coastal Site Plan application or if the materials attached were the only additional documents provided?

I can try to provide comments for the upcoming meeting. However, as this project would need permitting from our office, I wanted to make sure any further feedback is appropriately addressing out initial concerns which may lead to revisions of what is currently depicted. I'll follow up early next week with a more exact answer.

Best,

Eimy

1/2/24 Good morning, Eimy, Happy New Year! The coastal site plan application for 109 Military Highway was continued to the 1/9/25 PZC meeting via a number of extensions of time that will run out after said meeting. It is my understanding that Frank Borawski has submitted revised plans that he feels address your comments. Staff cannot recommend the application be approved without your review/approval. Can you tell me if you will be able to do so before the 1/9/25 meeting? The applicant/owner will have to withdraw and resubmit if not. I am (officially) on vacation until Monday, 1/6/24 but can be reached by phone then should you want to discuss further. Thanks.

Regards,

Liz Burdick
