Which Boards would you like to apply for?

Planning & Zoning Commission: Submitted

Education & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on a board or commission?

I'd like to get involved in the town, having just moved here in November. I spoke with Gary St. Vil, and he let me know there was a vacancy in the planning and zoning committee, and I think that's a great place to start; getting involved with our town and how it grows.

Community Involvement

My wife and I are doing the Run to Home Base next weekend. As a Veteran who served for 25 years in the Navy, I always try to pay it forward for the troops.

Educational Background

I have a Bachelor's Degree from Thomas Edison State University in Nuclear Engineering Technology. I've applied to UCONN's Engineering Graduate Program (MEng) hoping to start working on that this fall. I've just completed a PMP Prep course and will be looking to take my PMP certification exam shortly.
