1. Linda C. Davis Food Pantry Update

Ms. Chapman provided an update on food pantry operations. Ms. Chapman and Ms. Marcek attended a session at Three Rivers hosted by CT Foodshare. This was an opportunity for local pantries to come together and share comments, challenges and best practices.

Ms. Chapman informed the Board that the pantry is providing food to any household effected by the Government shut down. Those households do not need to not need to register but are required to answer two questions verbally to meet TEFAP (The Emergency Food Assistance Program) guidelines to confirm CT residency. Information has been shared via social media to inform residents that food is available to those in need due to the shutdown.

2. "A Splash of Autumn" Fall Festival Fundraiser

Ms. Chapman shared an update on the Fall Festival fundraiser for summer camp scholarships. It was a beautiful day for the event. The event kicked off with a color run that had around 30 runners and was the first run that Park & Rec has put on using the new multi-use pathway as a the route and it went very well. We are hoping for more runners next year. Ms. Chapman added there is a great photo from the start of the run that will be used next year for the Fall Events magazine cover to promote the event. Unfortunately, the food truck canceled at the last minute. Guests were informed that food options were available at Valentino's and Lucille's Cafe. Park & Rec will consider asking the Boy Scouts or Rotary to provide food next year. The event has 20 vendors and there was a nice flow of guests throughout the day, the vendors seems happy with the turnout. Approximately \$1000 was raised towards the scholarship fund account and it was very successful for a first annual event.
