Dear Liz,

There are now many letters of concern from Ledyard residents on record (see exhibits attached to July 11, 2024 P/Z agenda where you are placing these) requesting that the Town of Ledyard seek out and retain experts in various technical fields, paid for by the applicant (GFI), regarding the 3rd P/Z quarry application submission by GFI.

**Can you share with me, who can share with them, whether or not this retention of experts for the Town of Ledyard has taken place ?**

**If so, which areas of technical expertise are we talking about?,**

**If not, why not ?**

Thank you.

Yours sincerely,
