Ledyard Planning and Zoning Commissioners Liz Burdick, Ledyard Director Land Use & Planning Ledyard, CT.

Dear Commissioners and Ms. Burdick,

I am writing as very concerned citizen to strongly urge you to reject the quarry proposal which will be detrimental to our community. I am honestly very disappointed and shocked that this issue has even gotten this far, because I can't imagine our home and lives being destroyed by such action.

The very significant and real negative impacts include:

HEALTH - I have two children, and I would do anything to protect them from polluted air and water, not to mention relentless noise, traffic and road hazards.

ENVIRONMENT - This blasting will irreversibly harm the natural beauty and longevity of our delicate ecosystem.

COMMUNITY - What we love about this area is the historic, unique, and peaceful neighborhood. The quarry proposal completely violates the quality of life for our residents.

PROPERTY - We should be working hard to improve our real estate values and not bring them down, for the long term success and prosperity of our town.

Please don't let this project ruin the wonderful village of Gales Ferry.

With deep felt gratitude for your help avoiding this disastrous outcome, Nehal Khokhar
